IDENTIFIERS	Inupiat

ABSTRACT

This illustrated, primary-level reader is one in a series designed for use in the Alaska State-Operated Schools' bilingual education program. The text is provided in English, Upper Kuskokwim Athabascan, and the Kivalina dialect of Inupiat. These texts are used to supplement the beginning reading programs in the native languages of Alaska, and for bicultural programs in Indian Education. The texts are illustrated with black-and-white drawings. (AM)

It is dark.

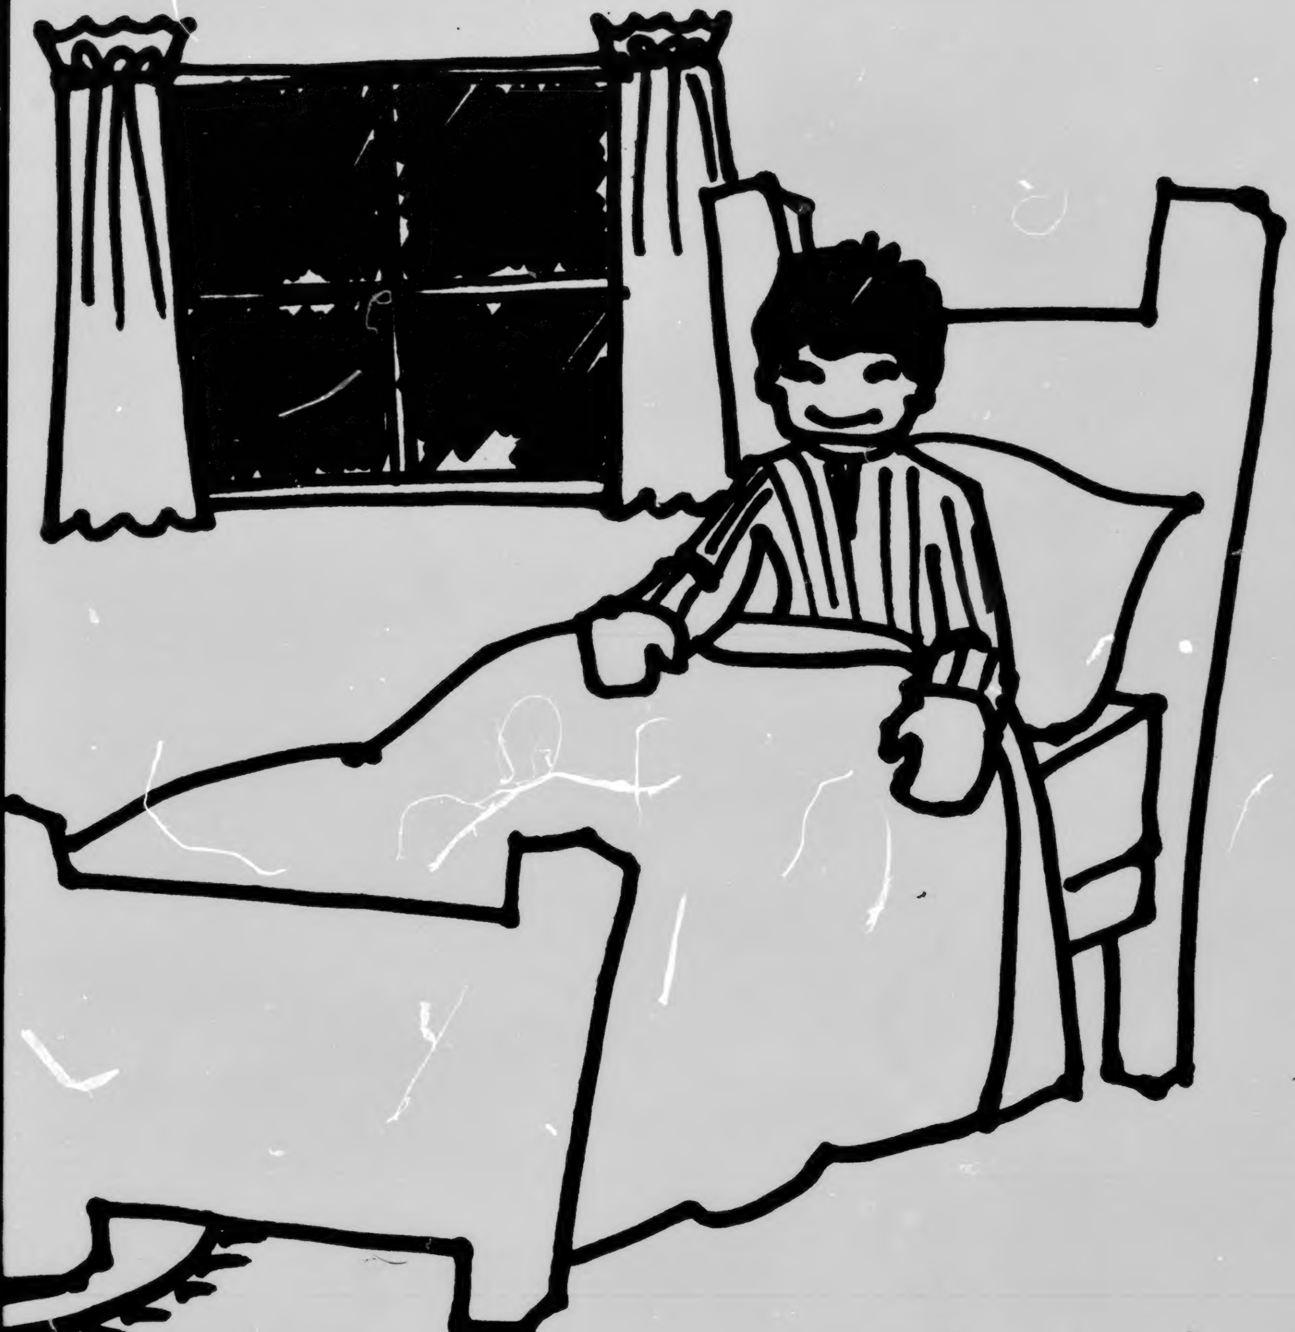
The wind is blowing.

It is blowing very hard.

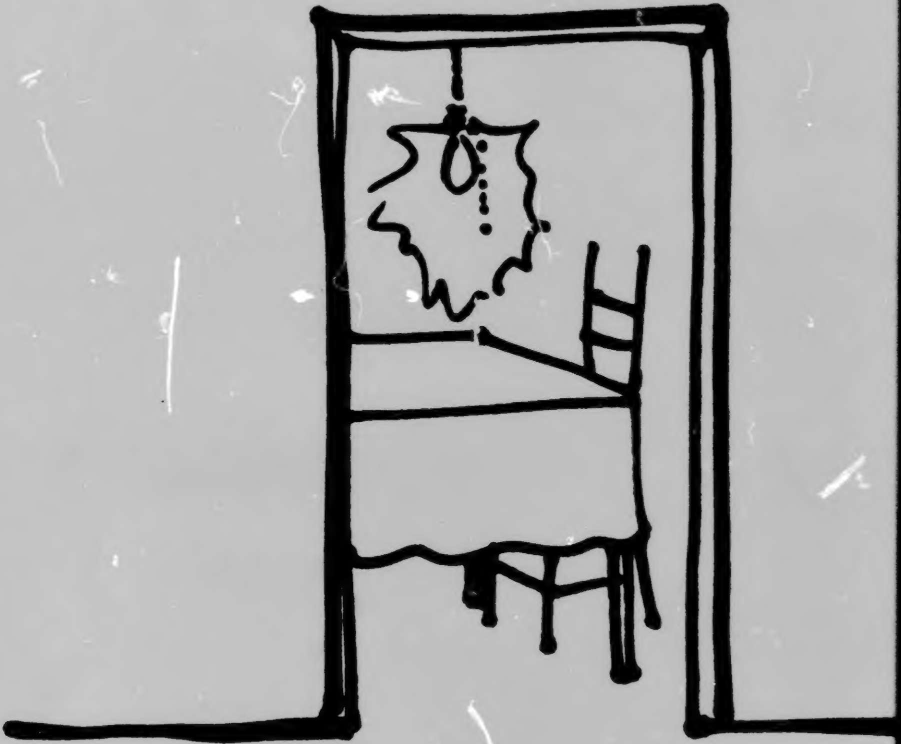
Is it night?

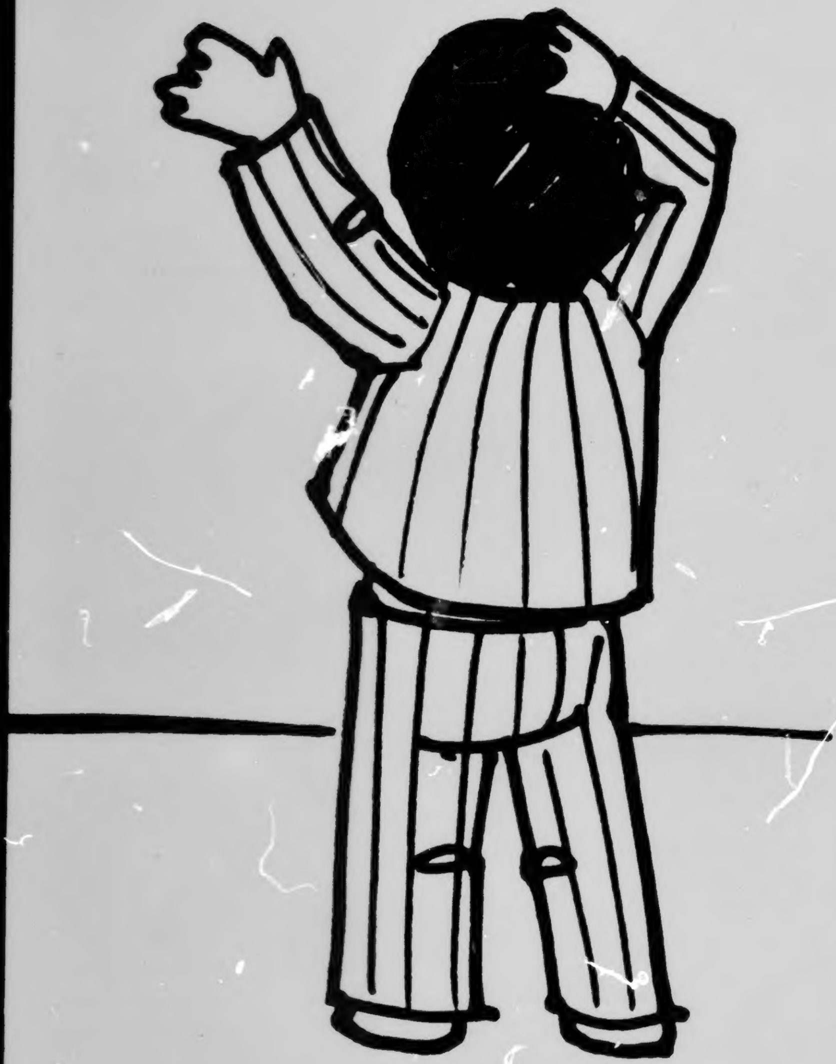
Is it morning?

Is it time to get up?



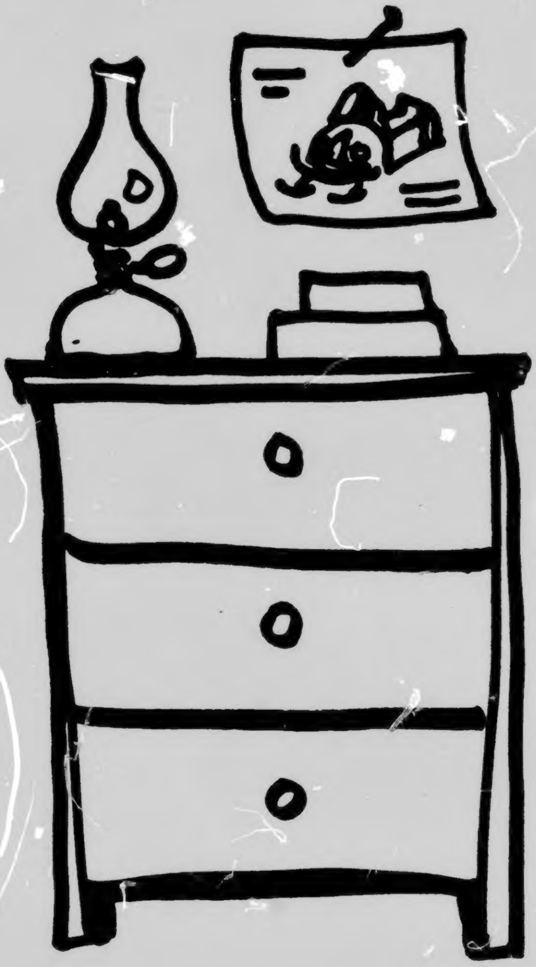
I hear something!



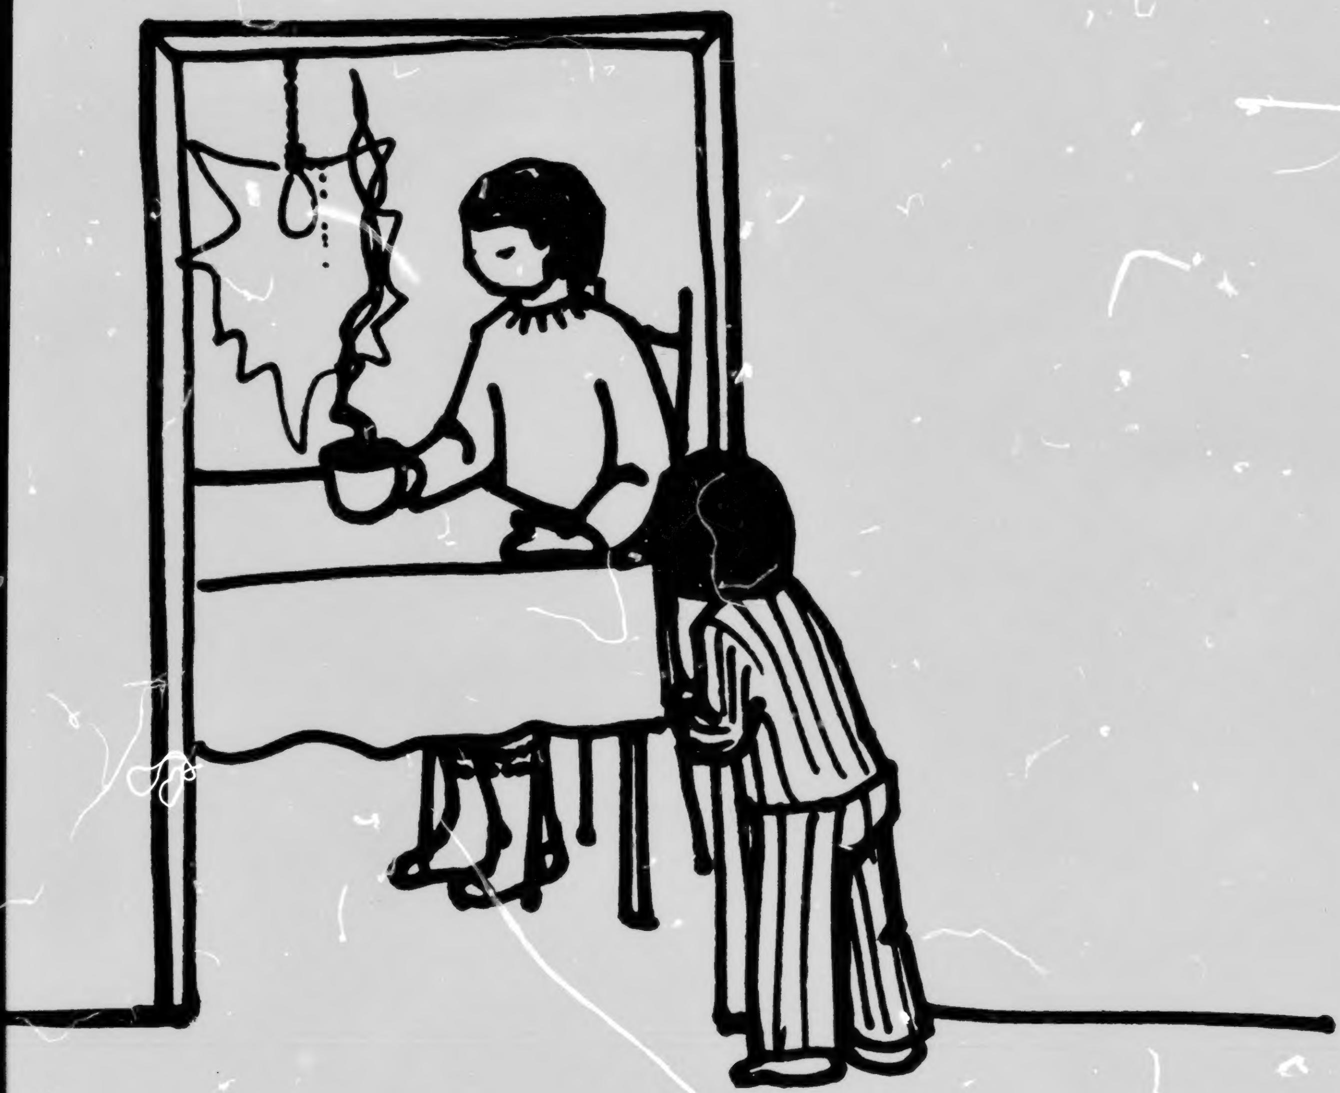


Someone is up.

It's Daddy!



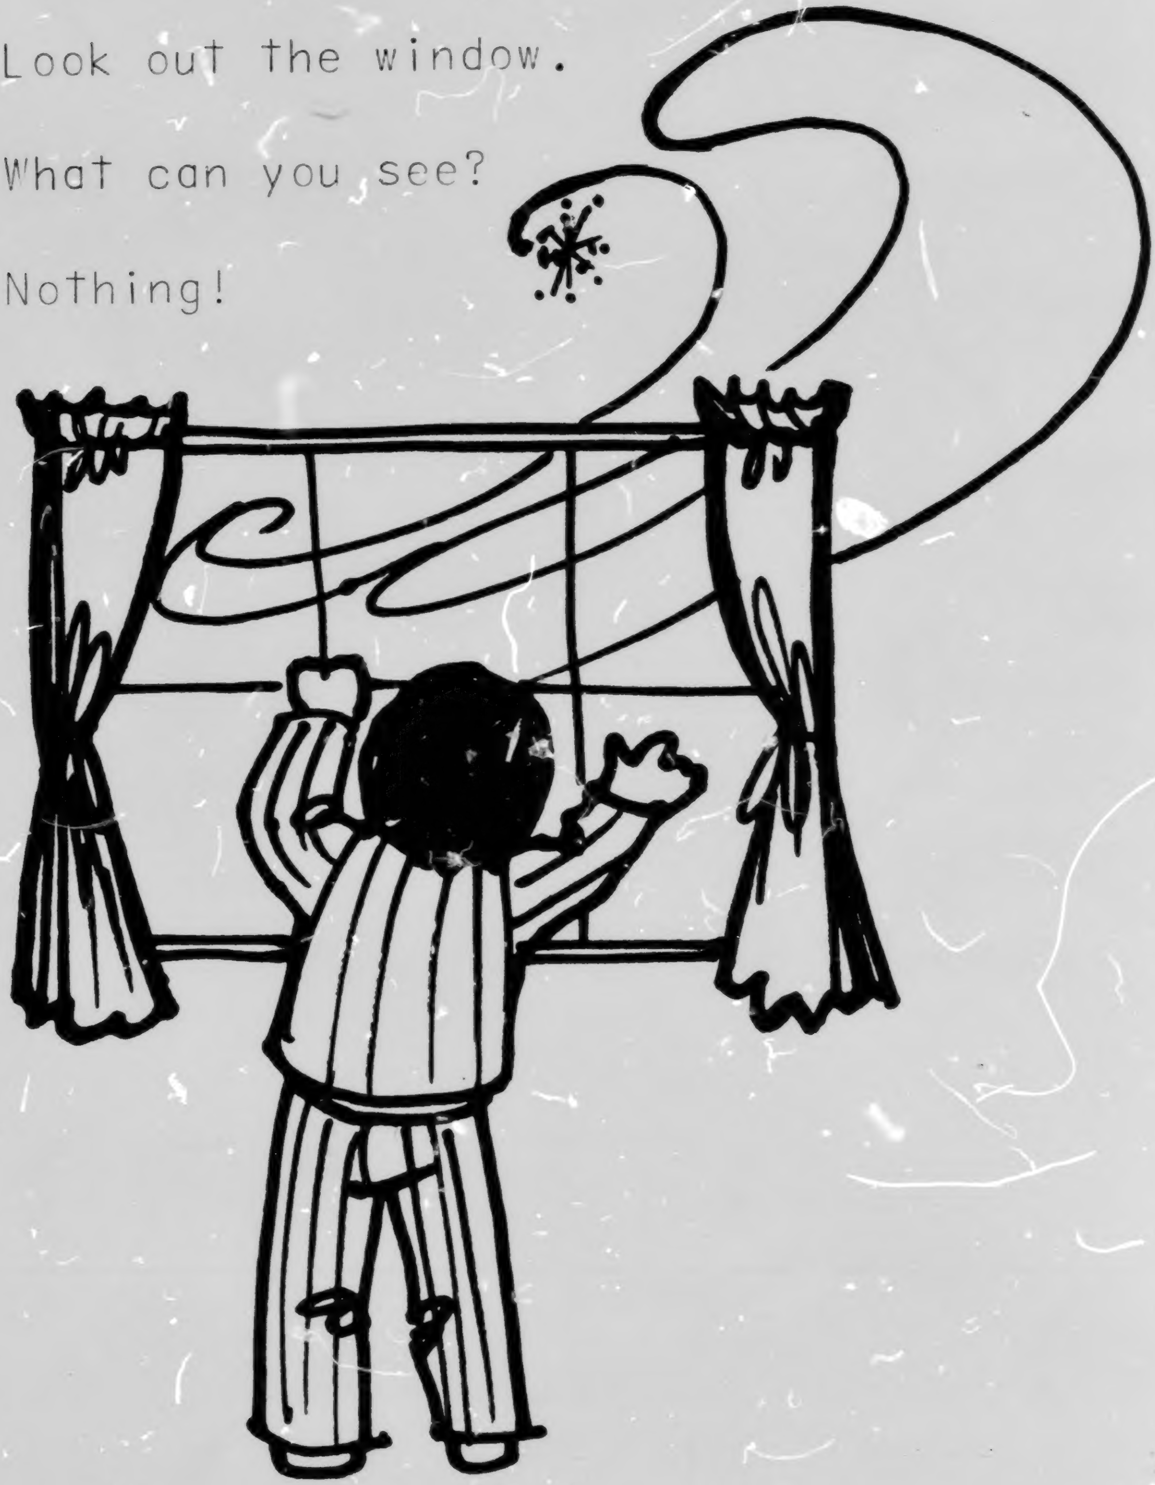
Daddy is up!

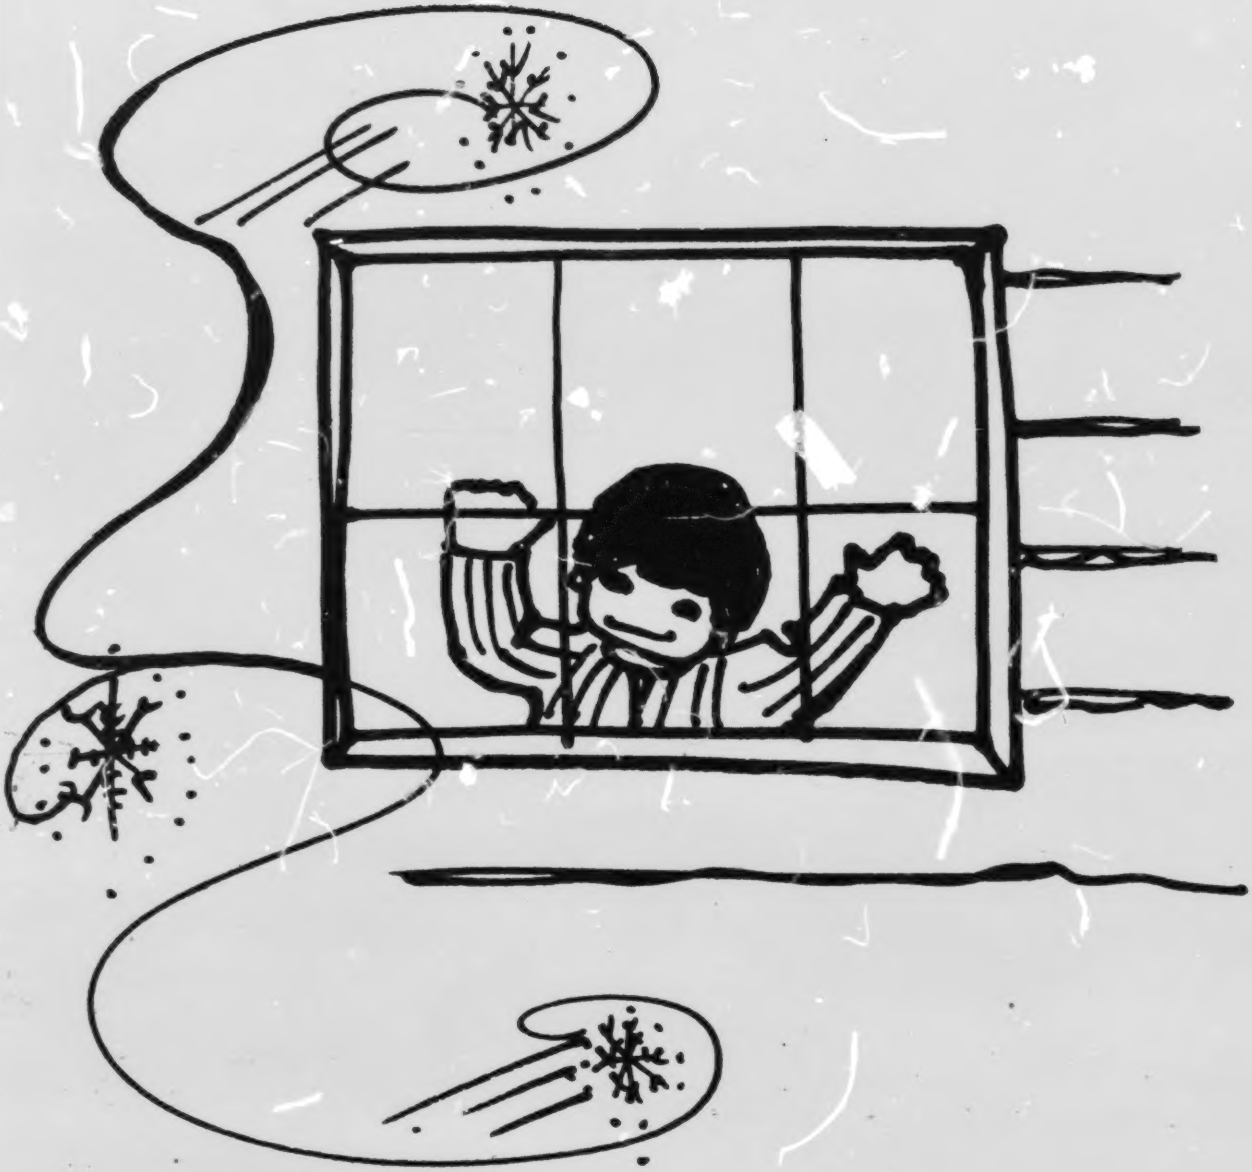


Look out the window.

What can you see?

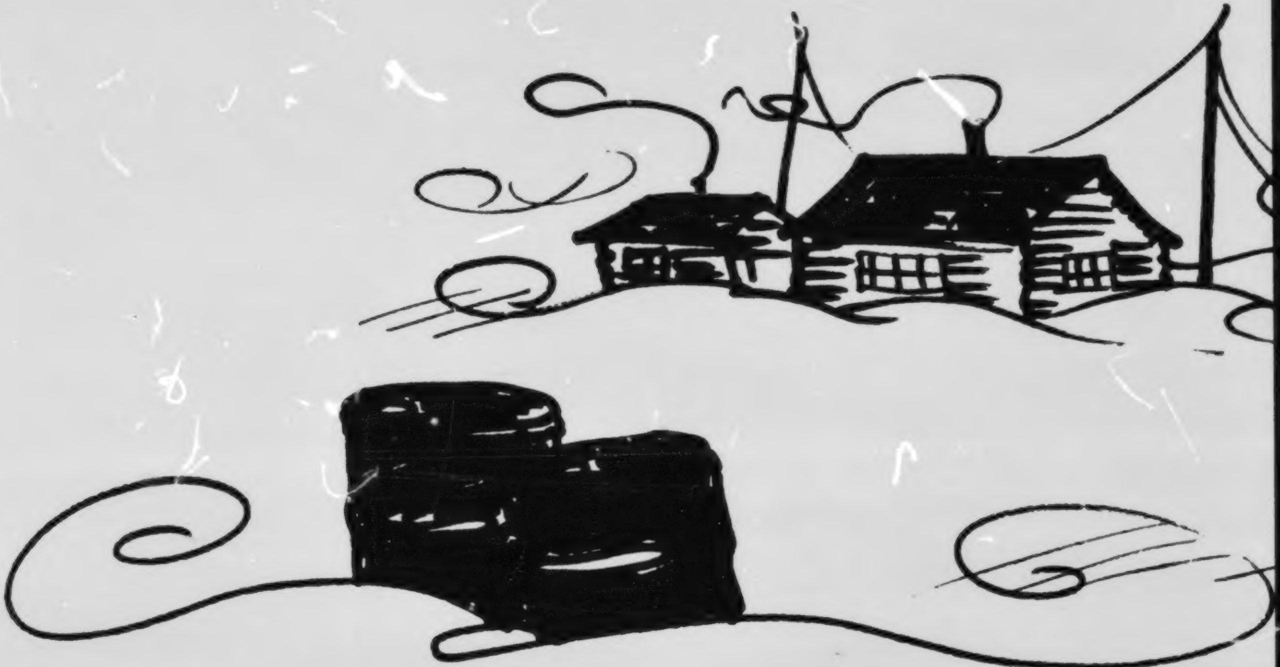
Nothing!



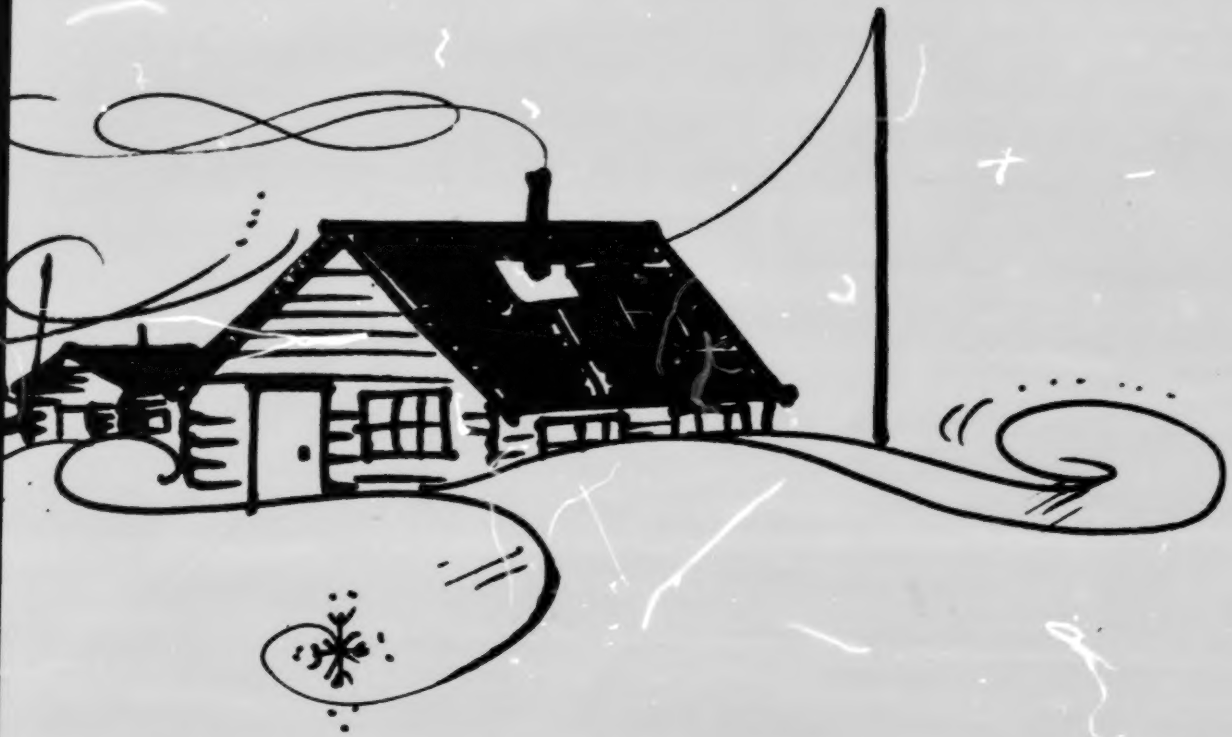


What can you hear?

The wind!



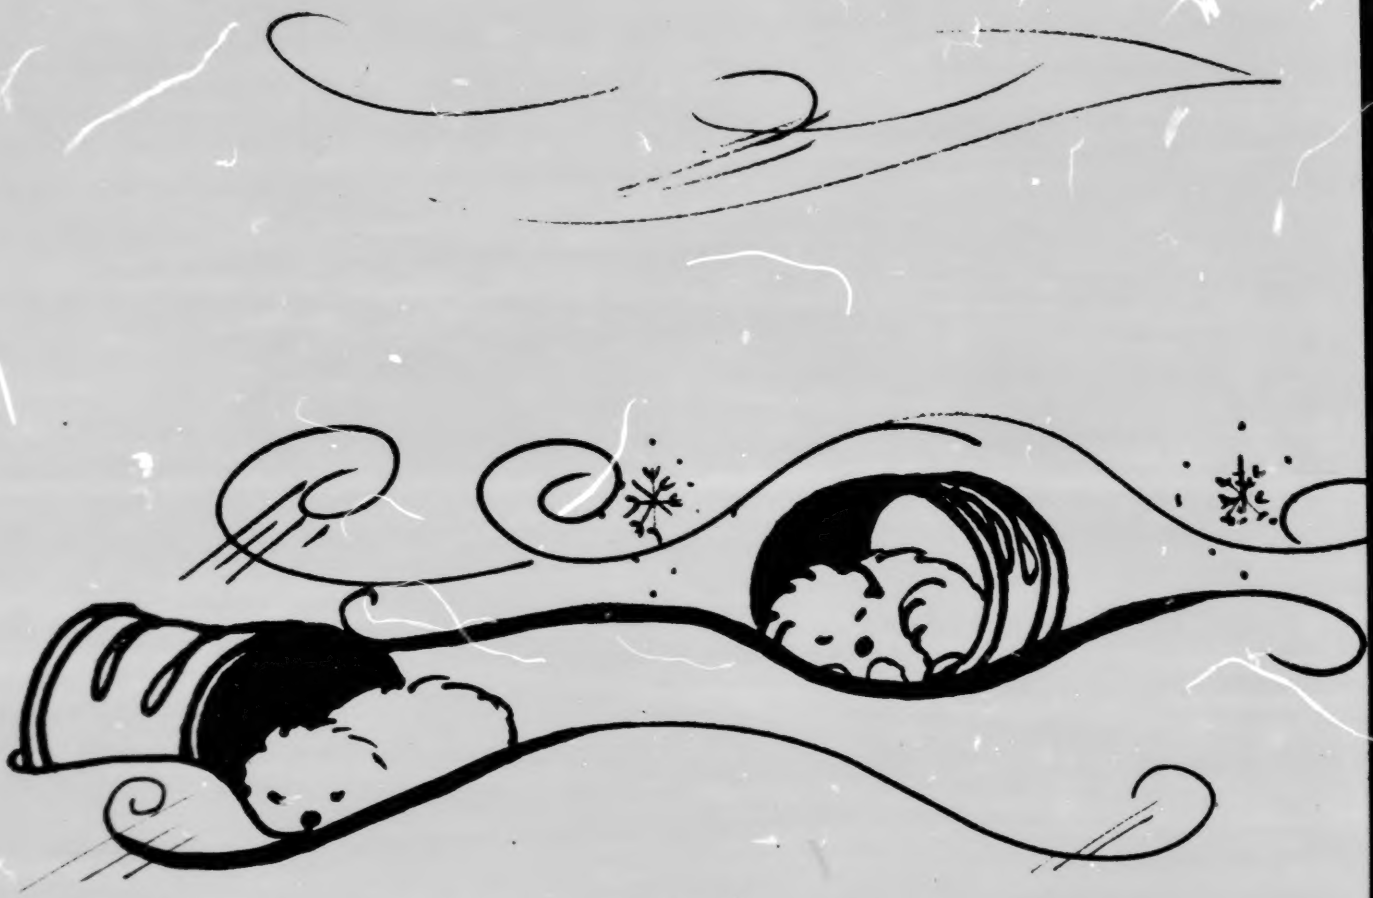
The wind is blowing.



It is snowing.

Everything is white.

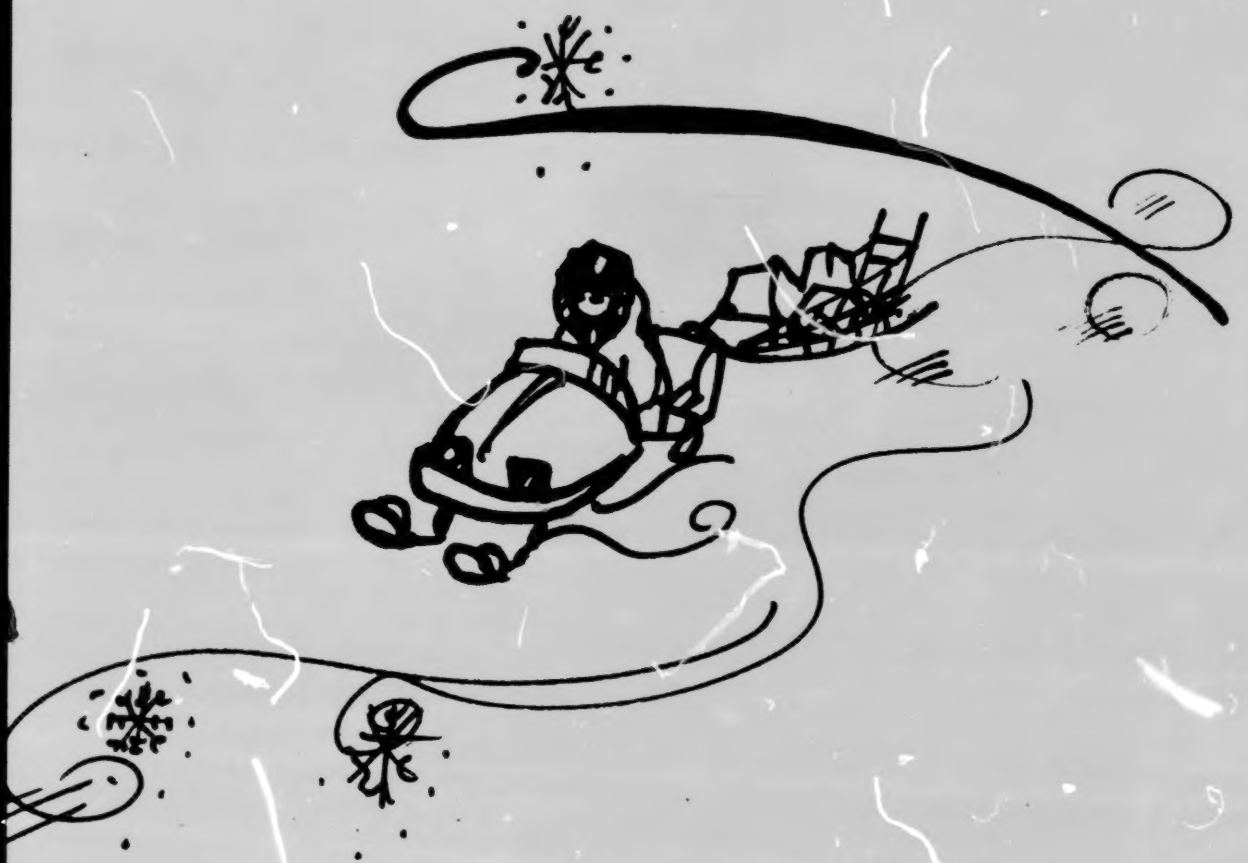
It is cold.



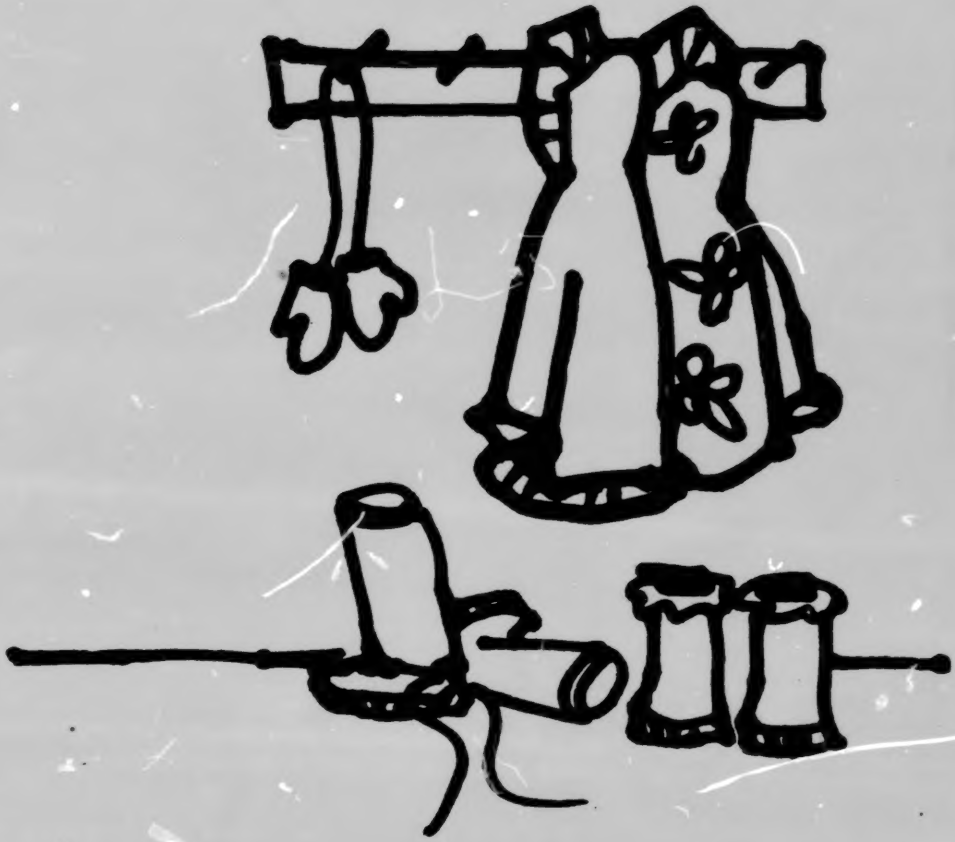
Daddy is going out.

Why?

Is he going to feed the dogs?



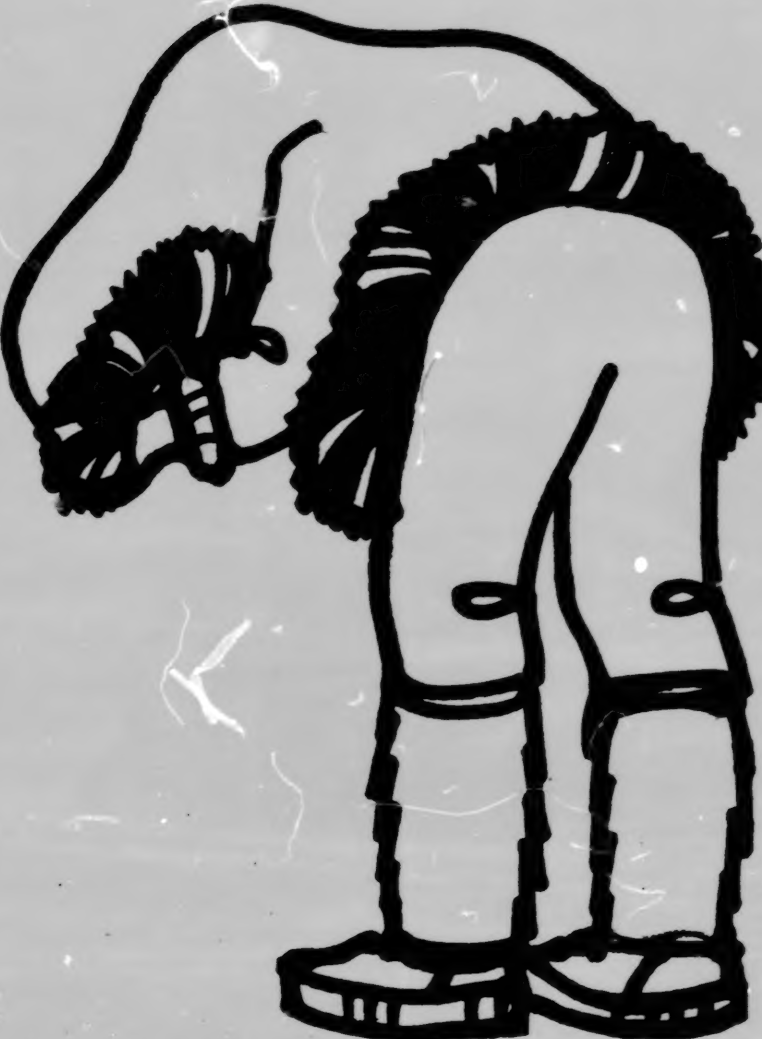
Is he going to bring ice for water?



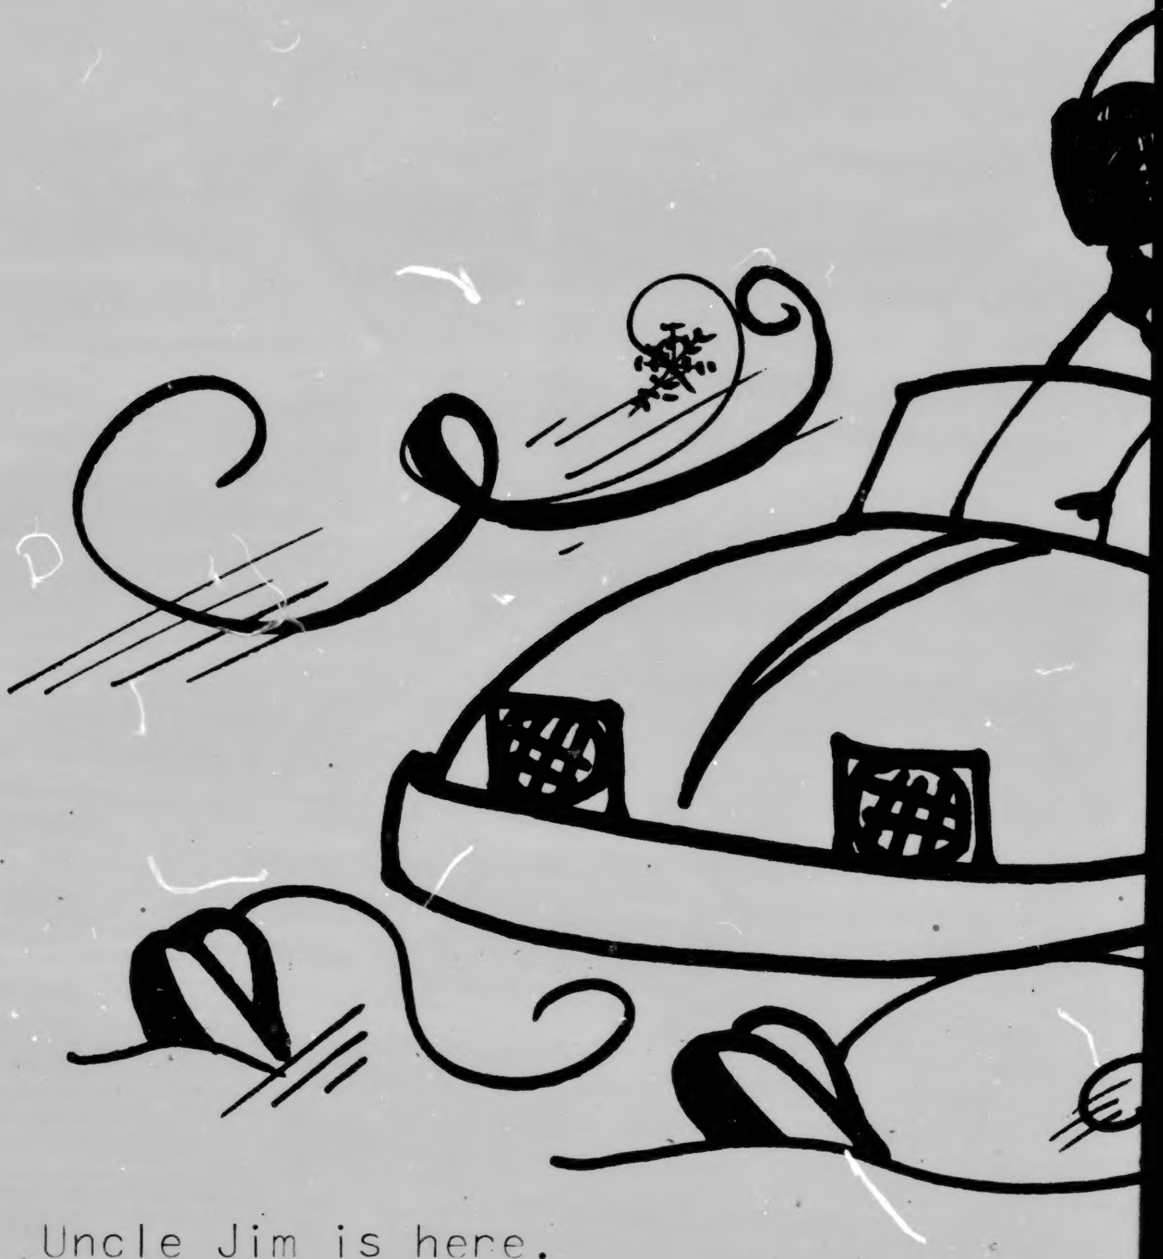
Charlie is lost!

He is out in the wind!

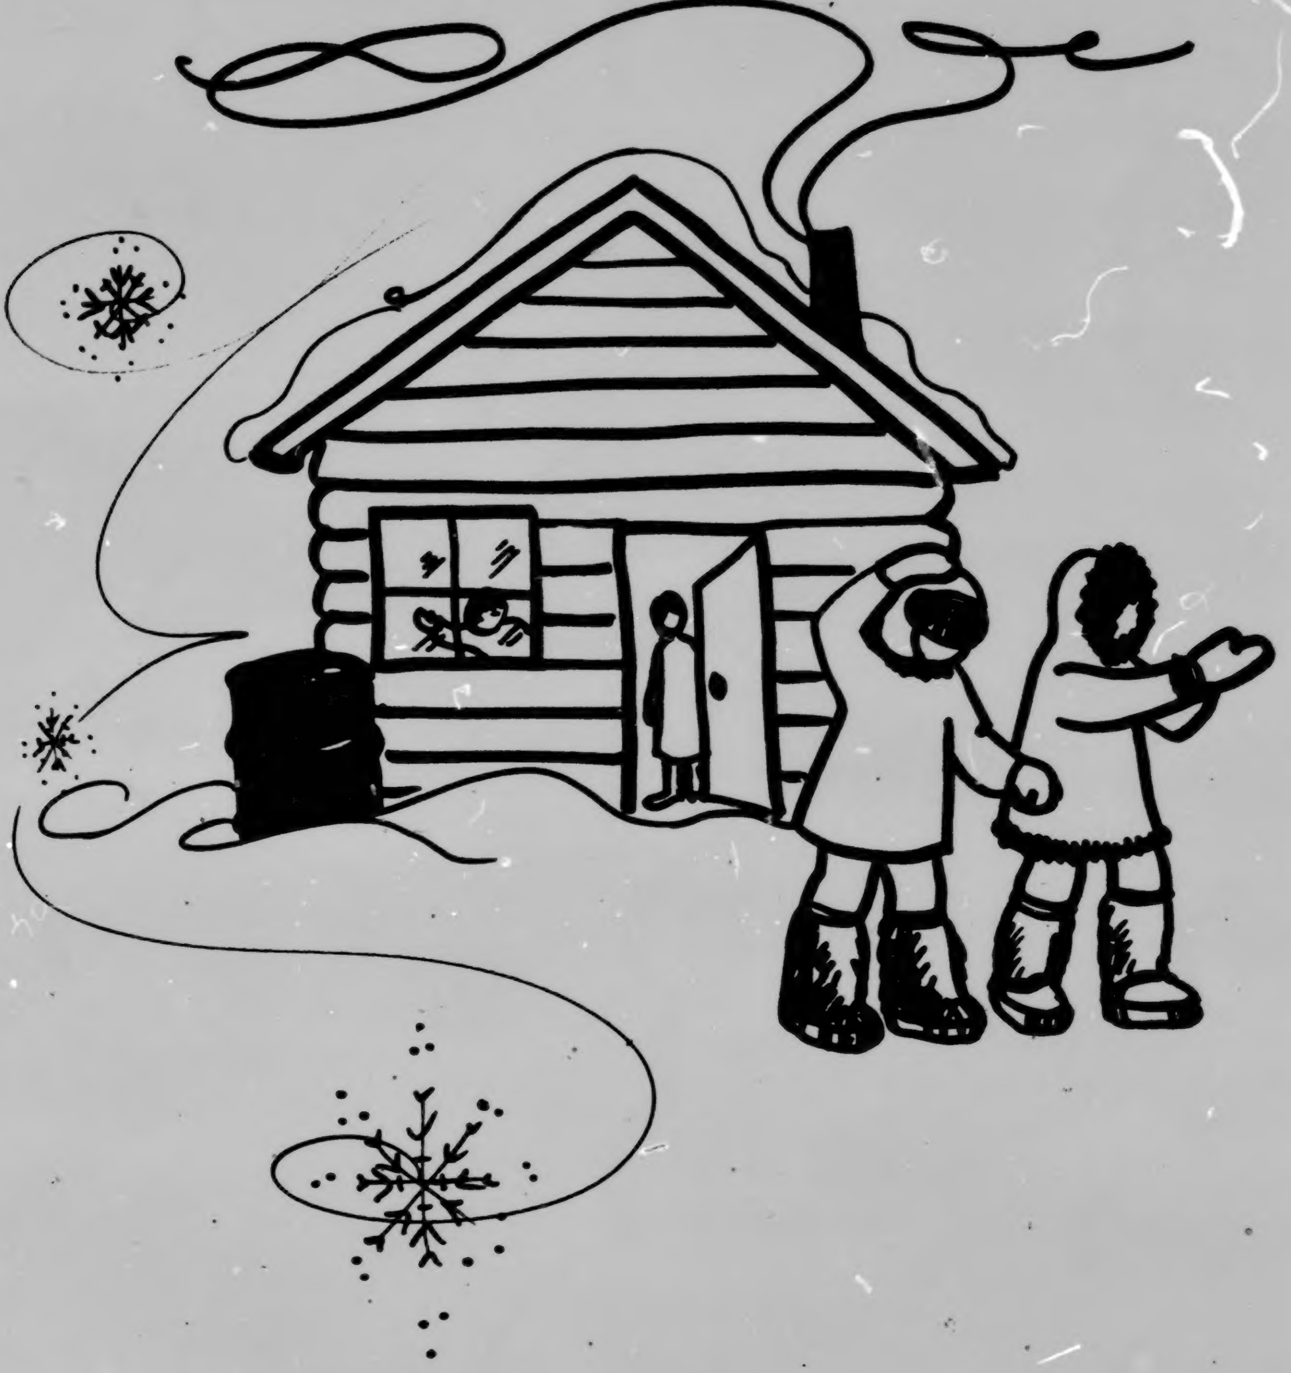
He is out in the snow!

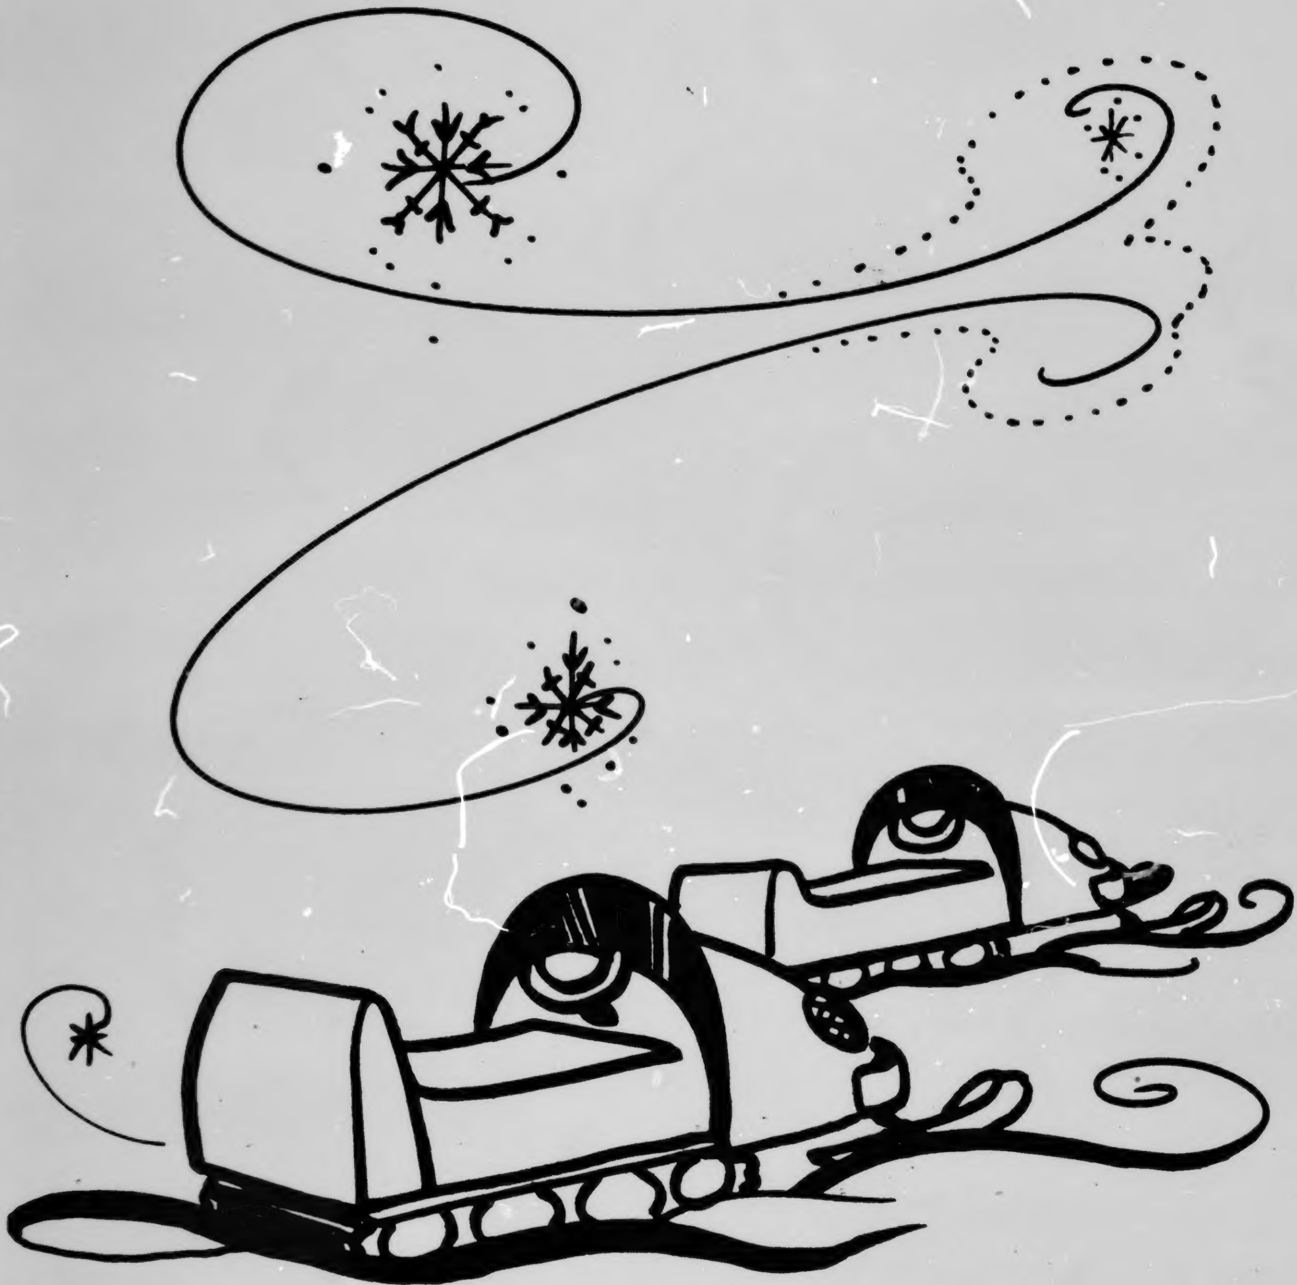


Daddy must look for Charlie!



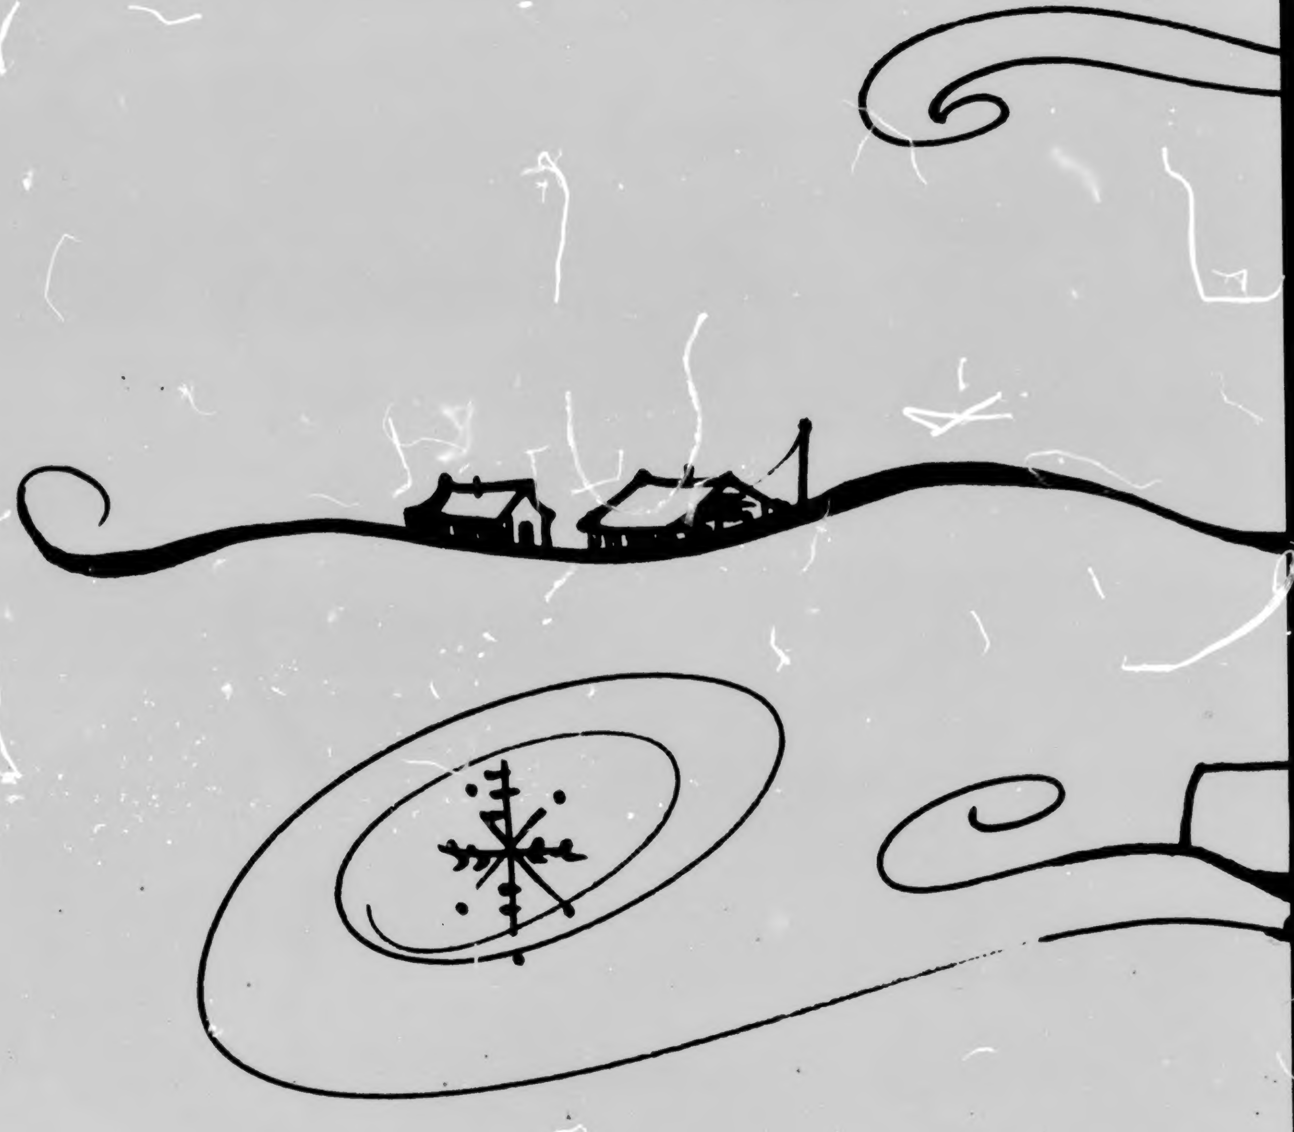
Uncle Jim is here.



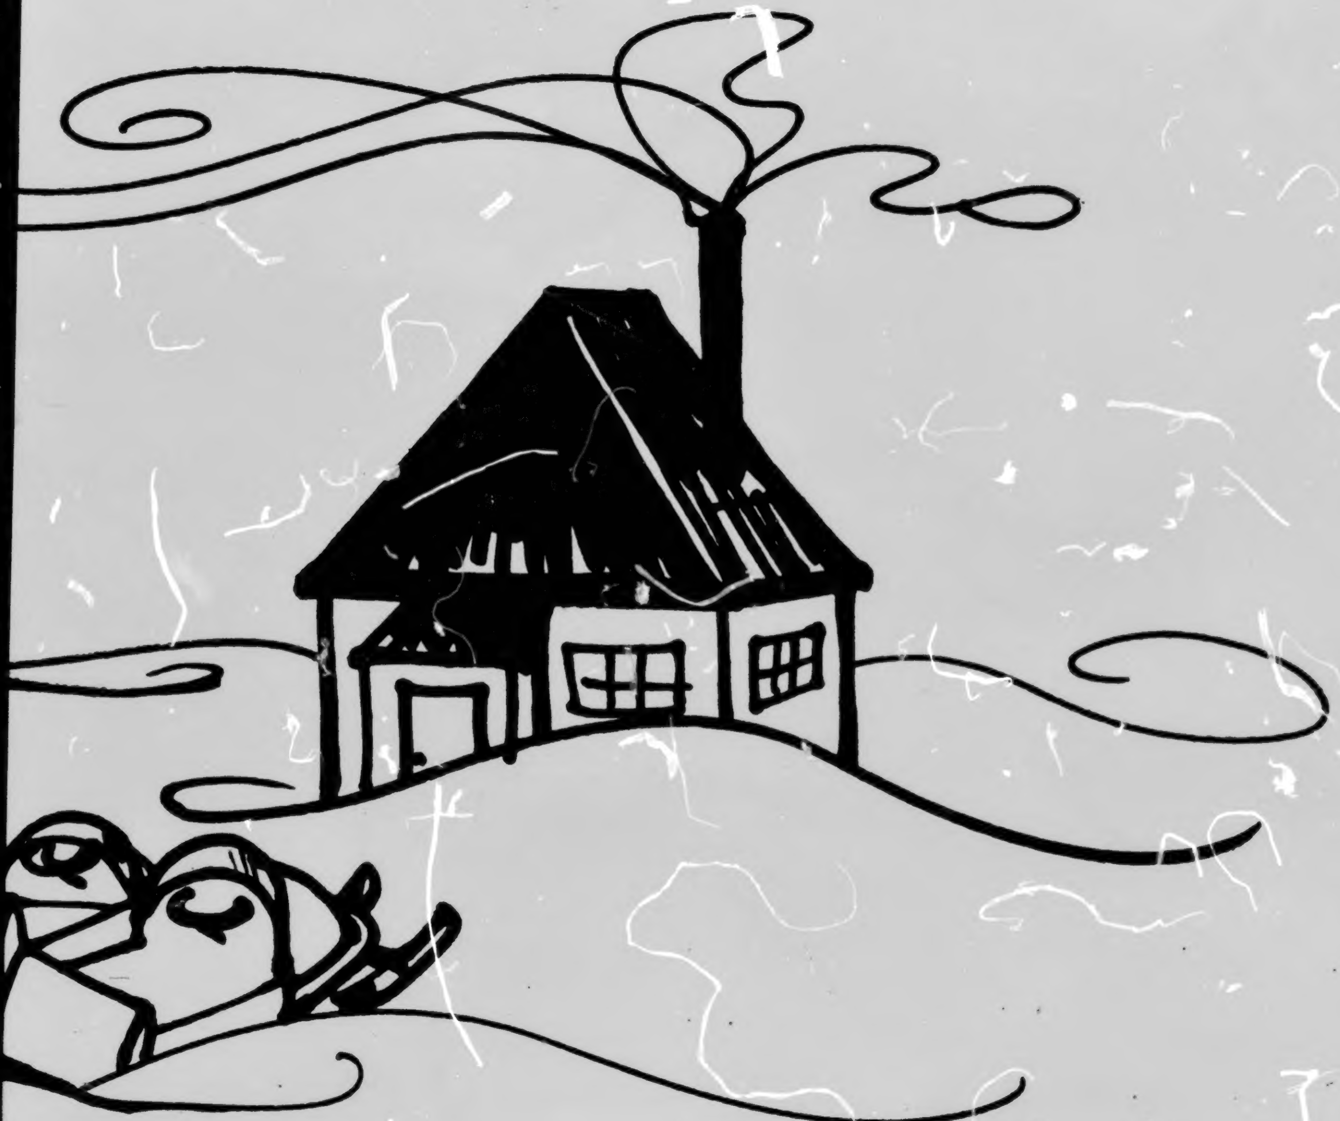


Daddy is going with Uncle Jim.

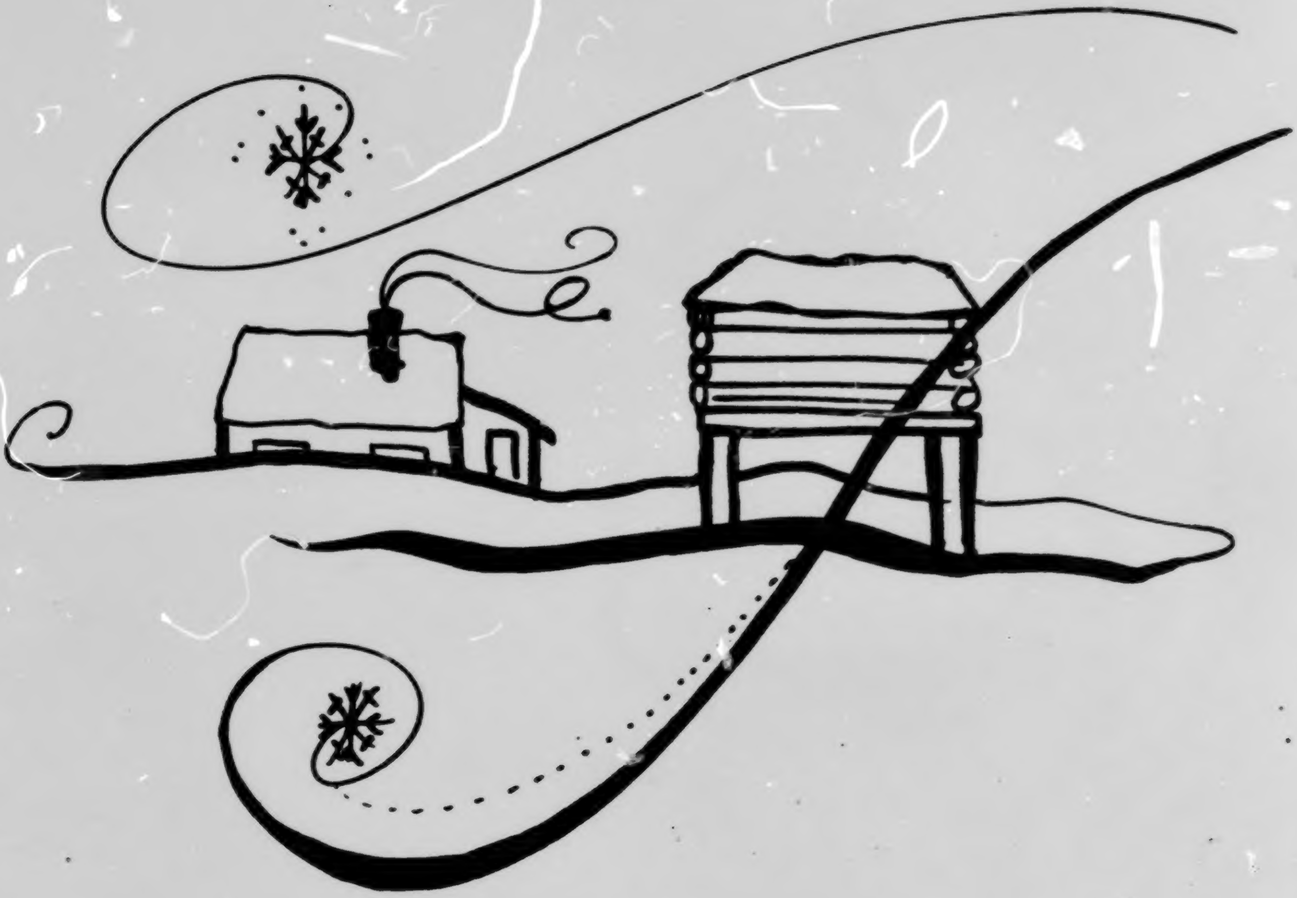
They are going to look for Charlie.



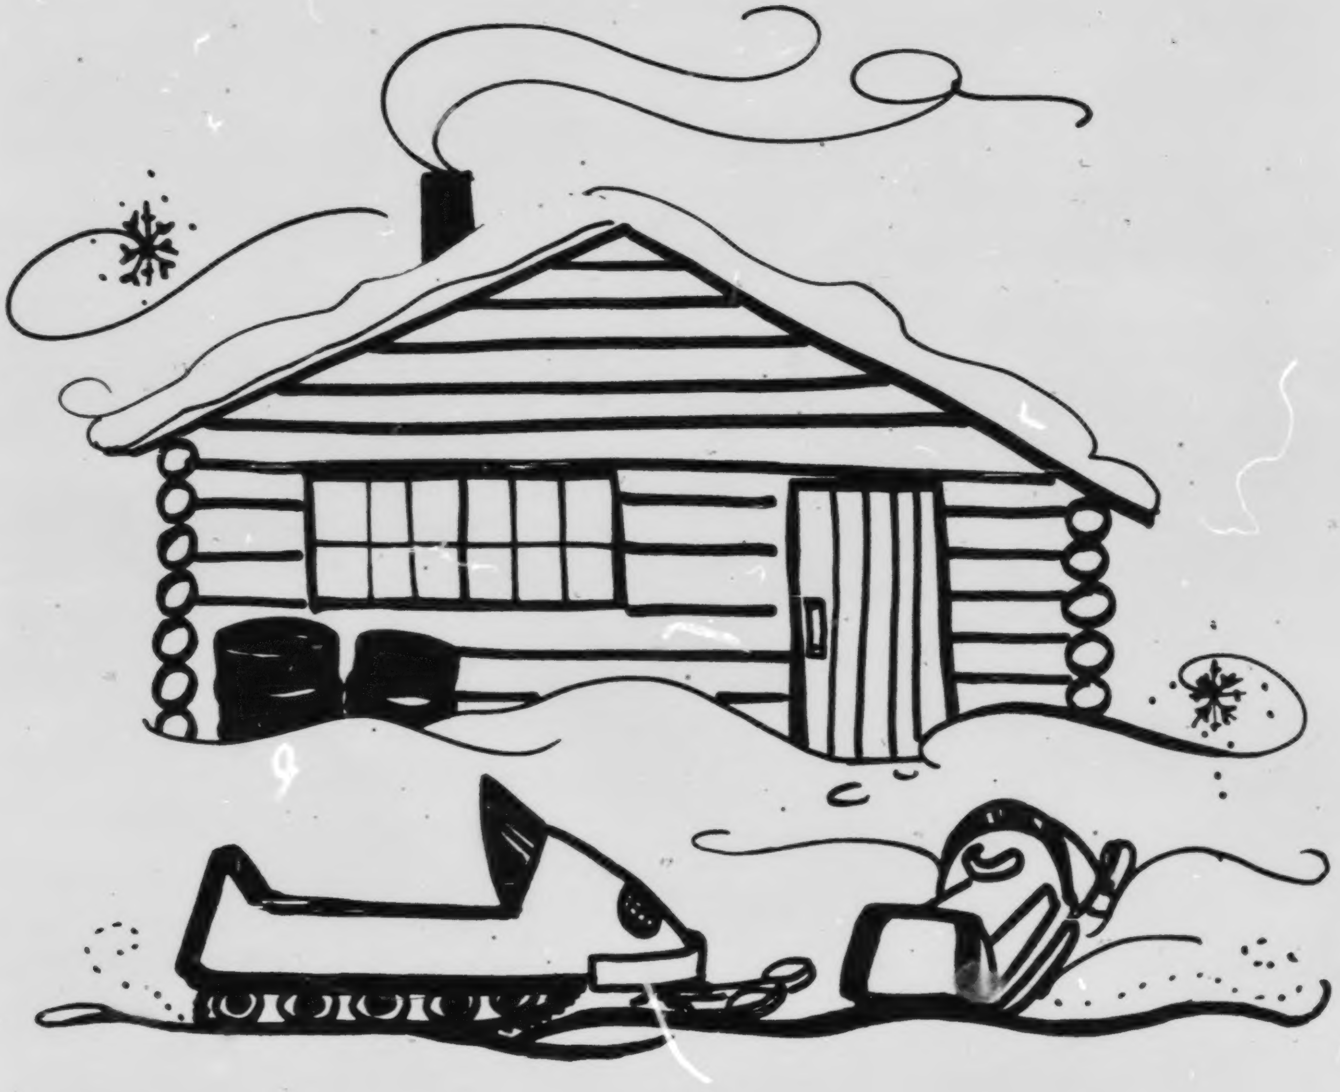
Now they are at Sammy's house.



They are looking for Charlie.

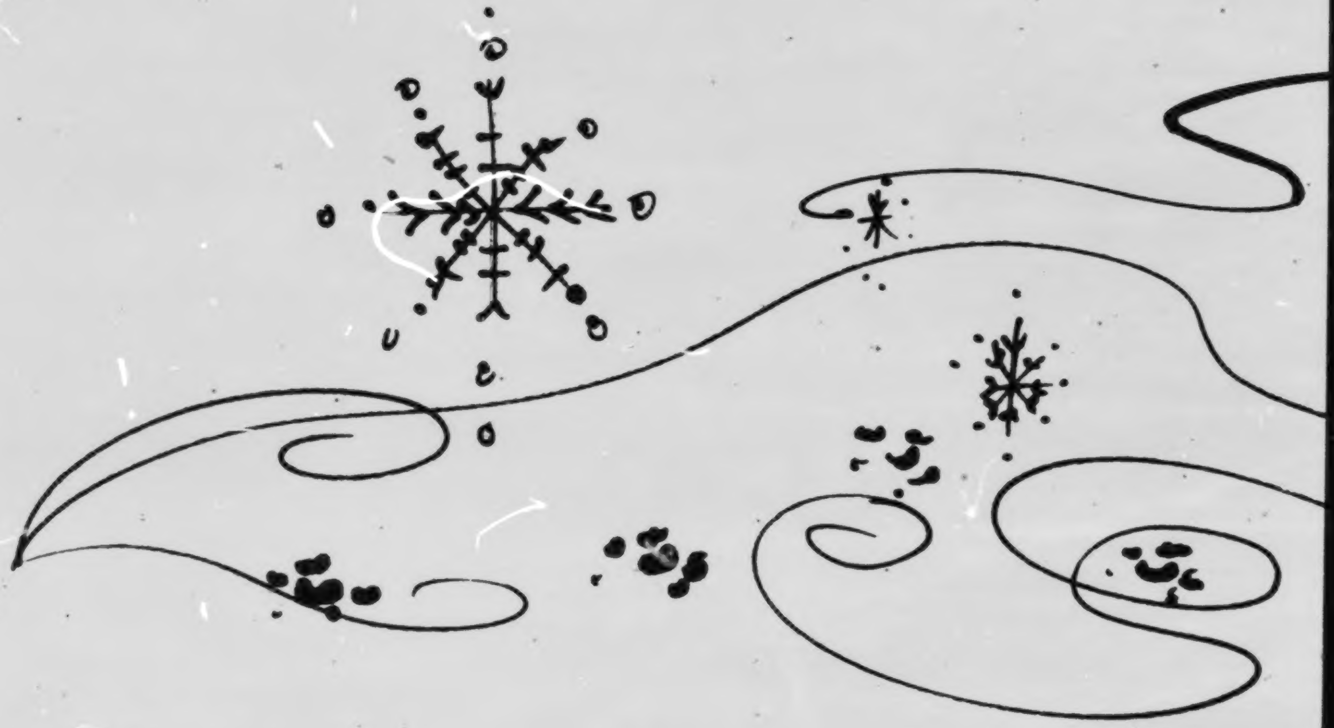


Now they are at Grandpa Joe's house.

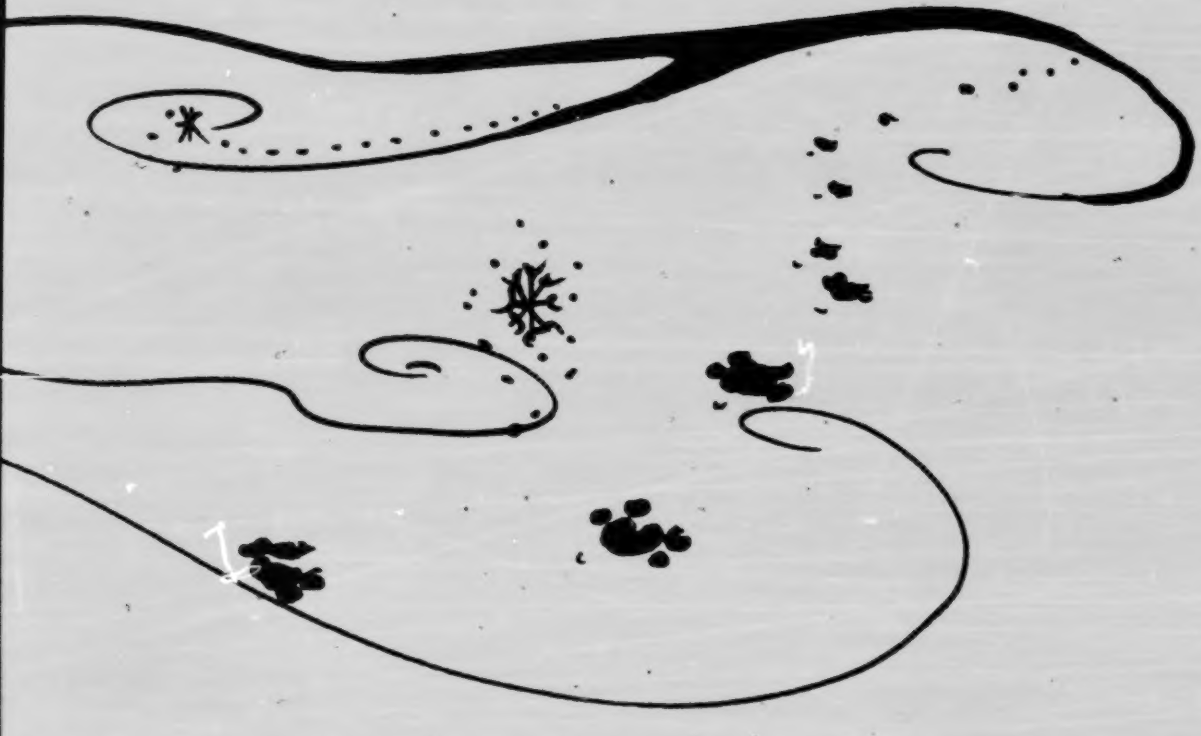


Charlie isn't there.

They can't find Charlie.

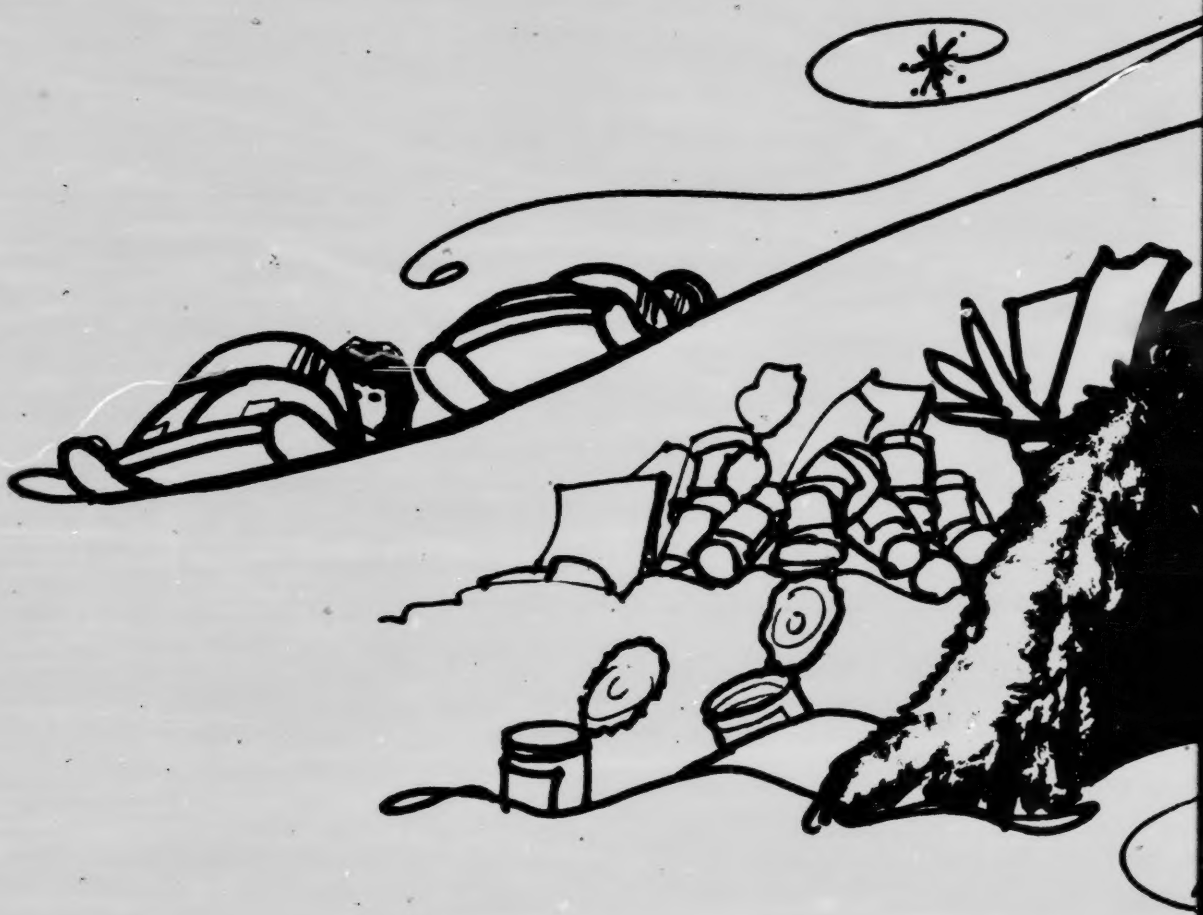


Can Daddy find Charlie's footprints in the snow?

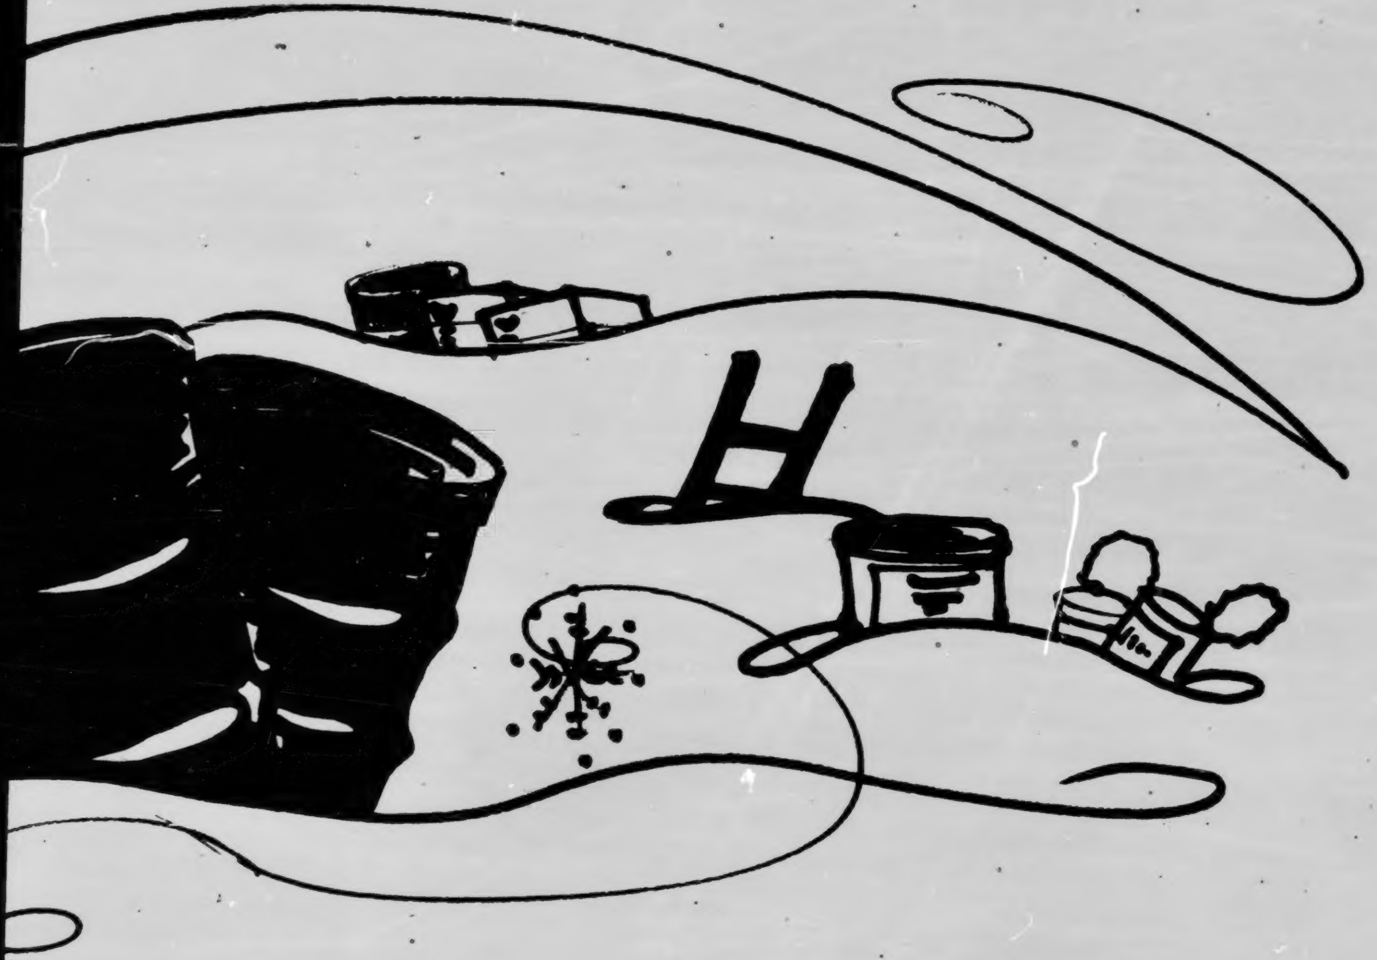


No!

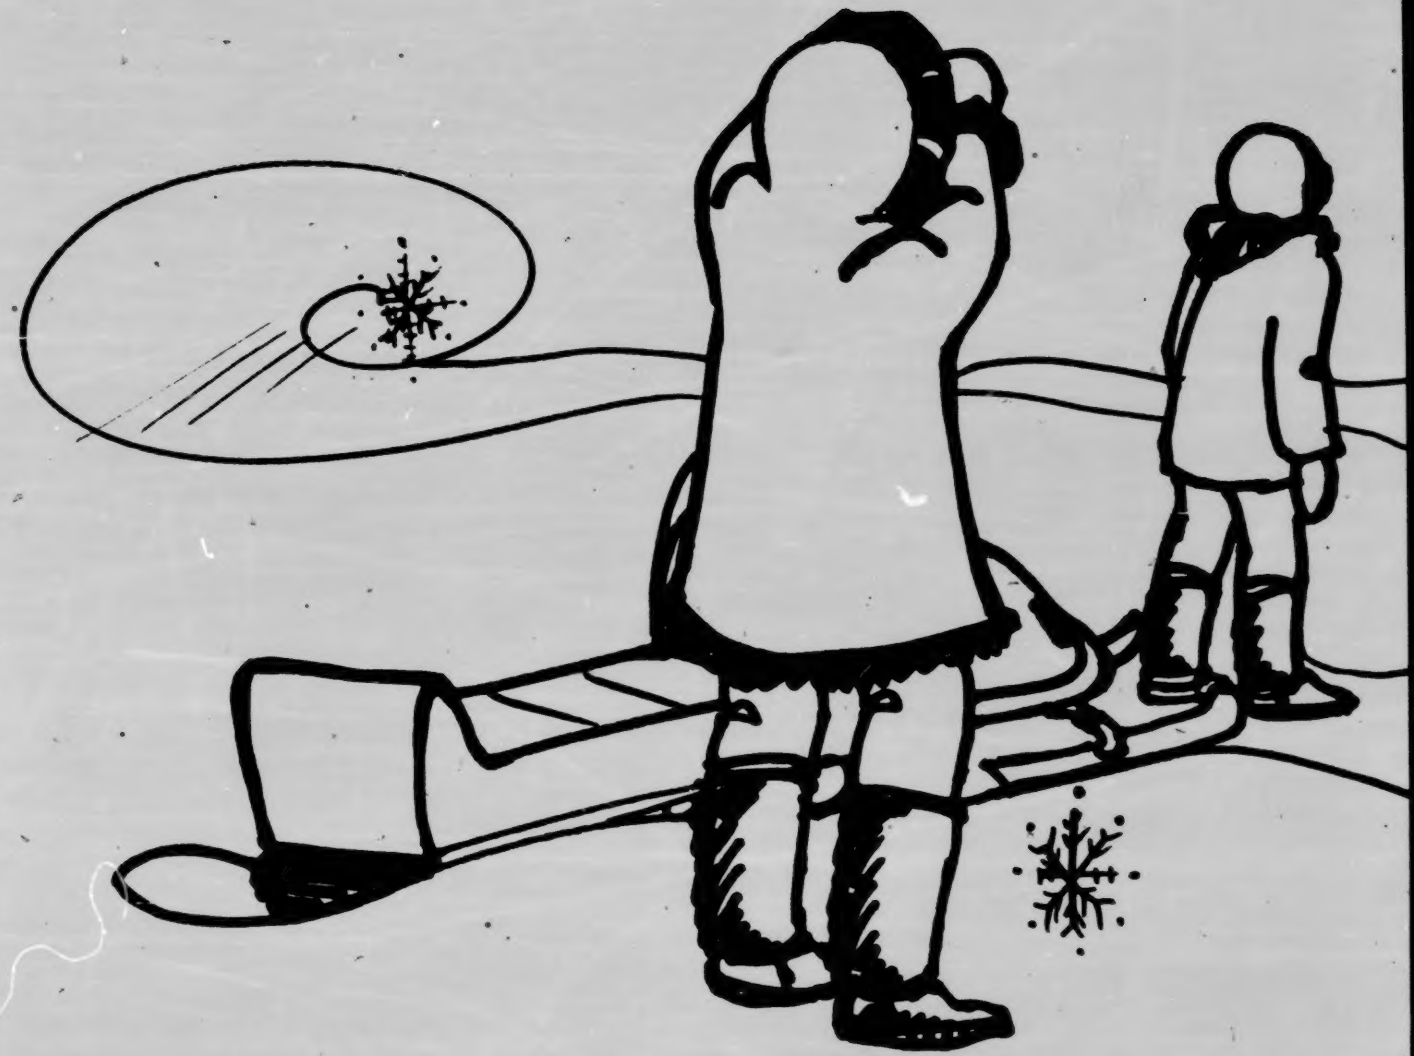
The snow has covered them.



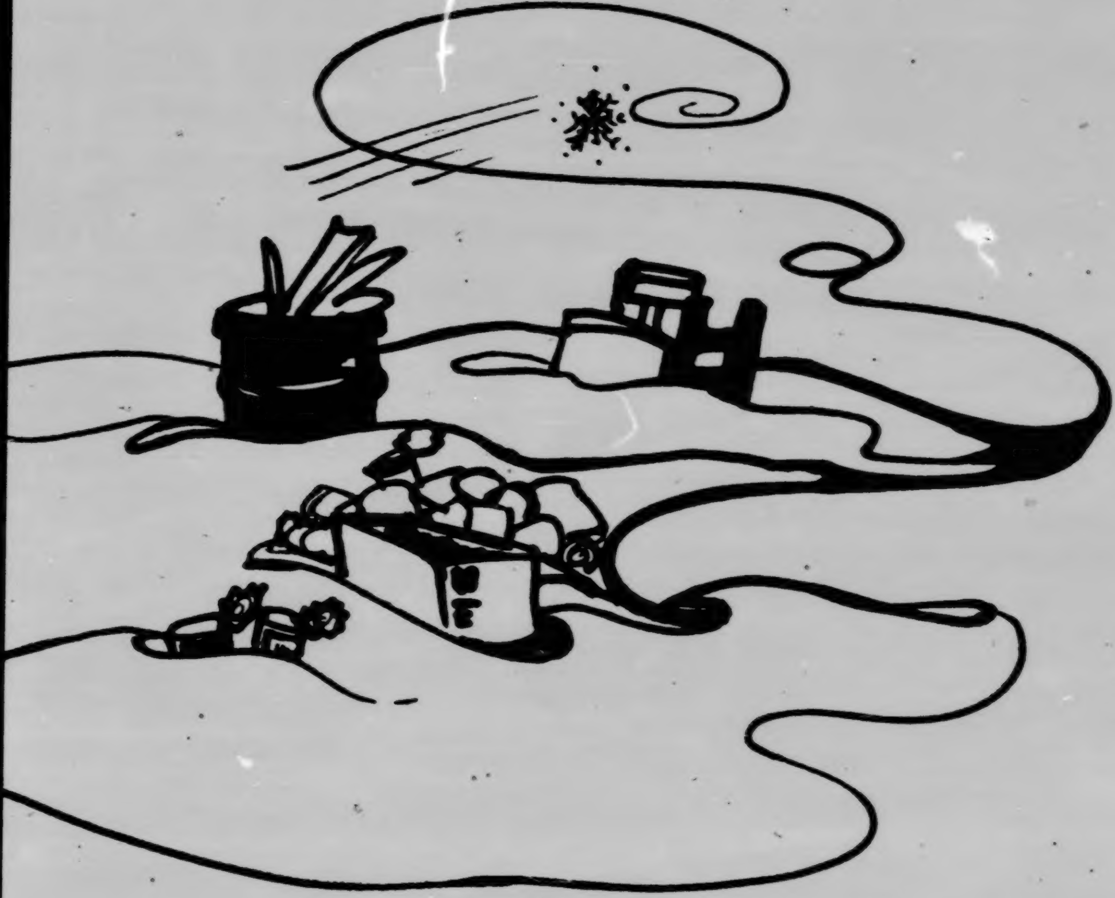
Daddy and Uncle Jim are at the dump.



They are looking for Charlie.

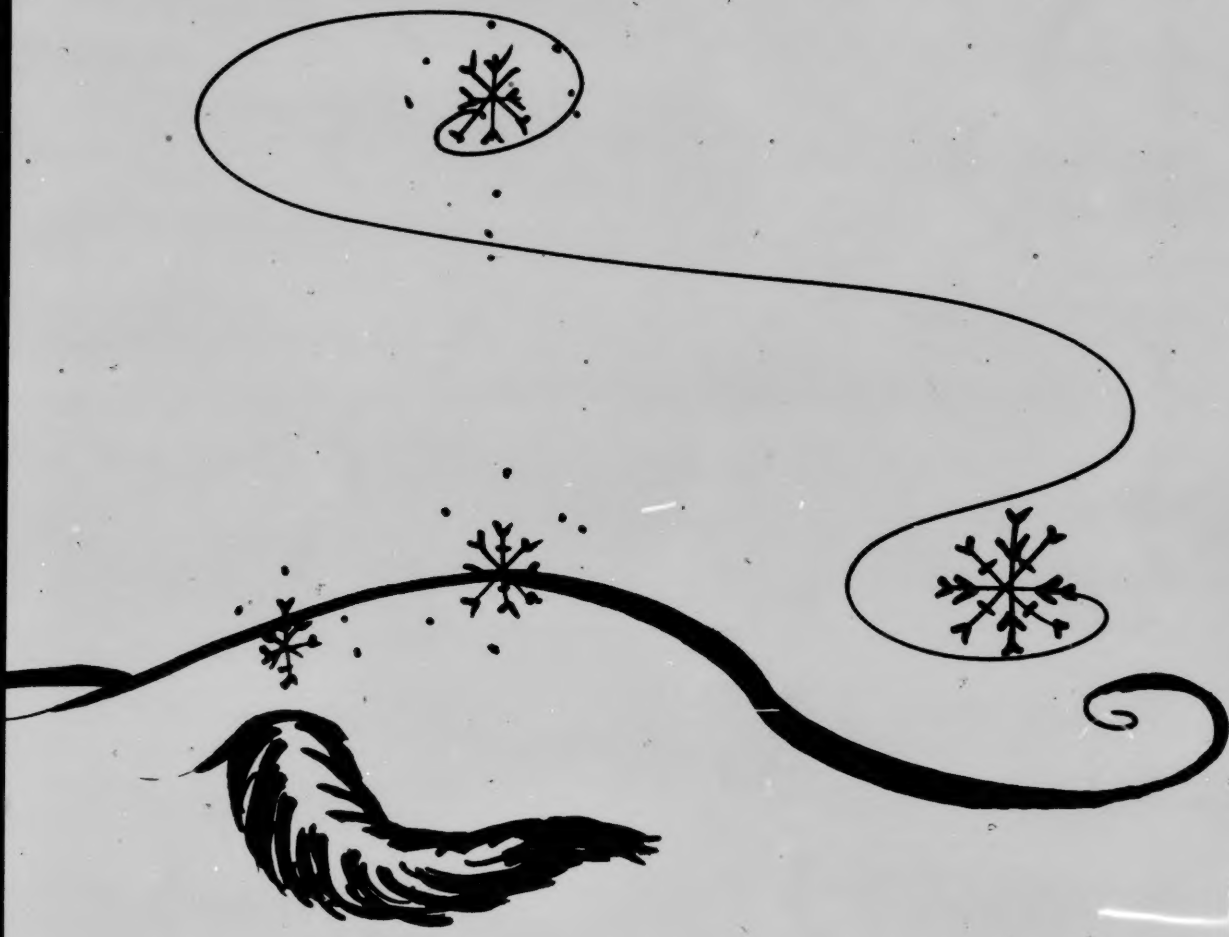


"Charlie!"

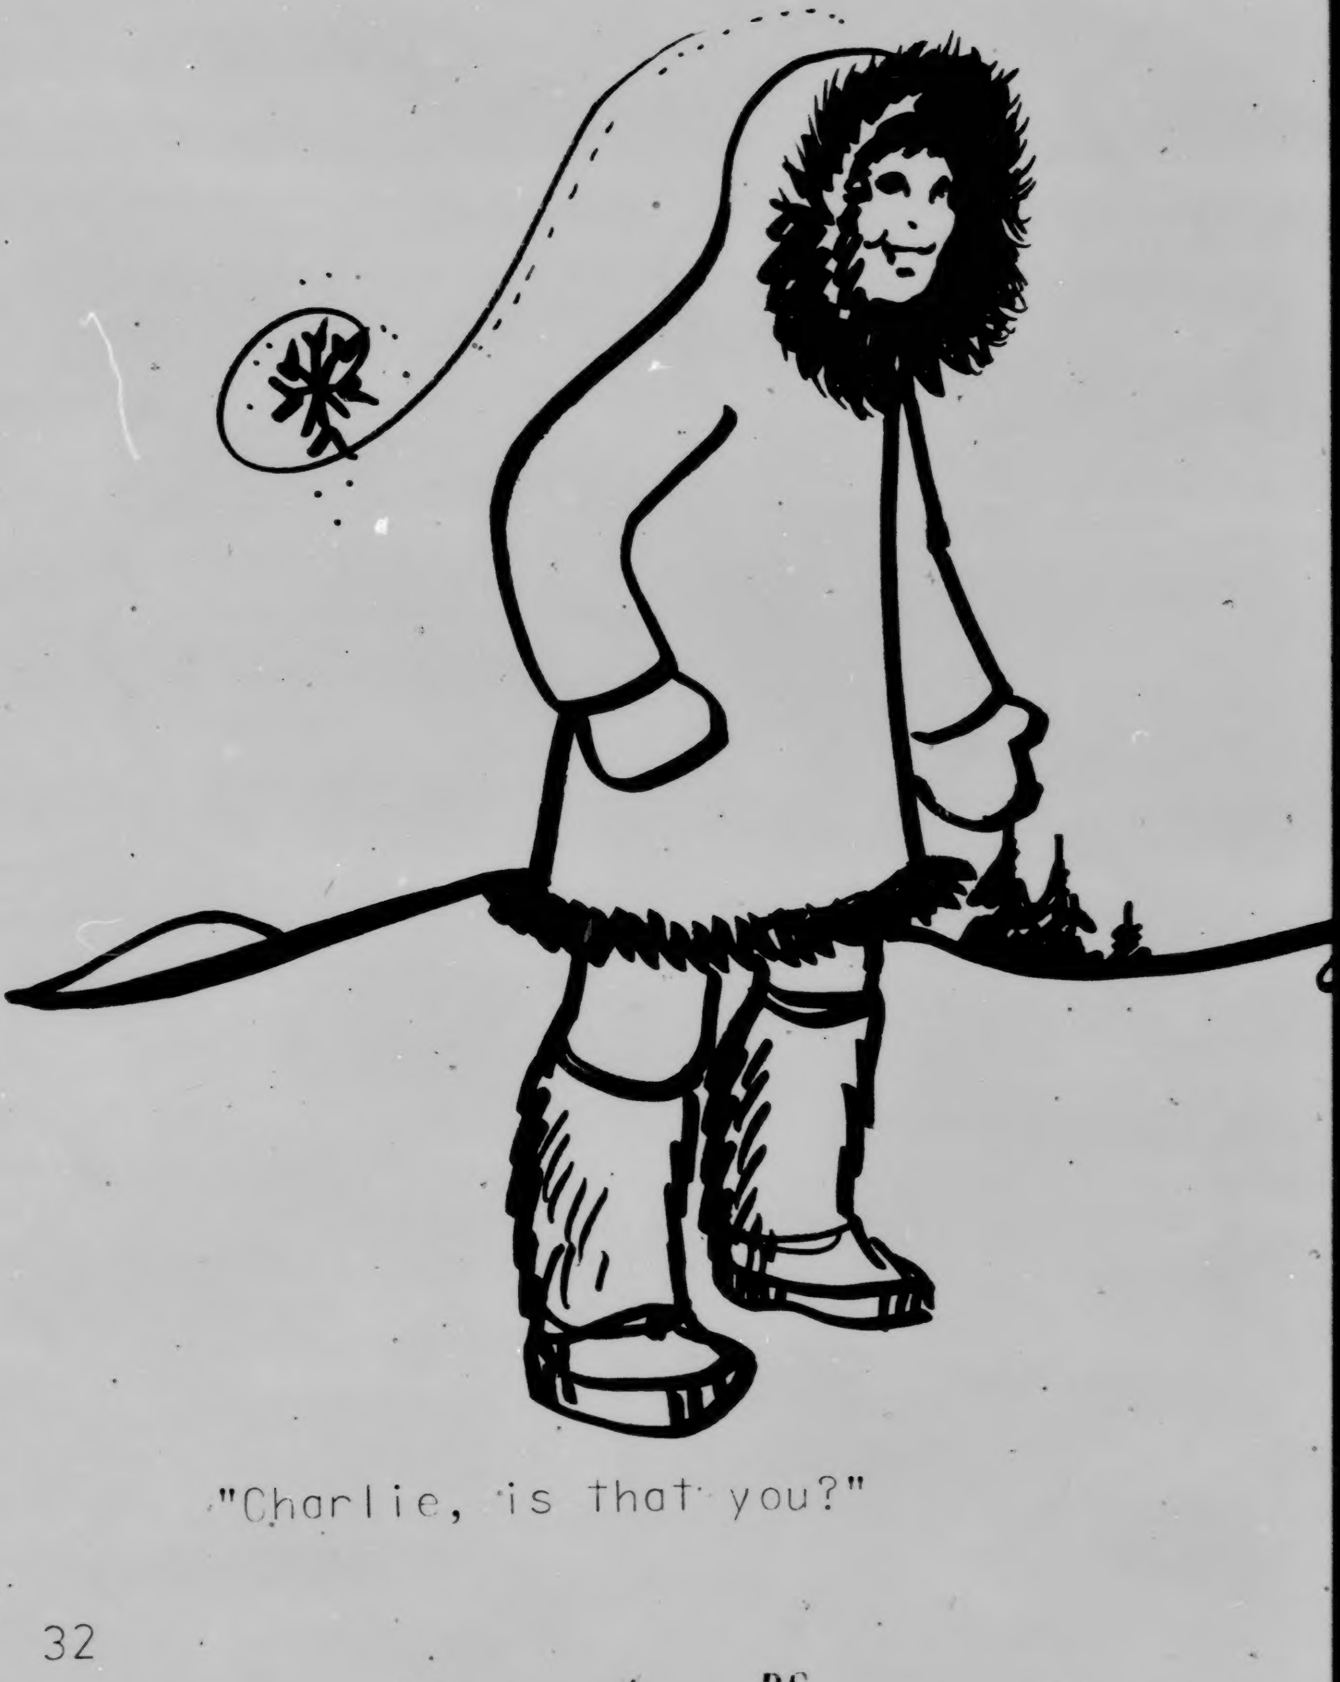


"Charlie! Where are you?"

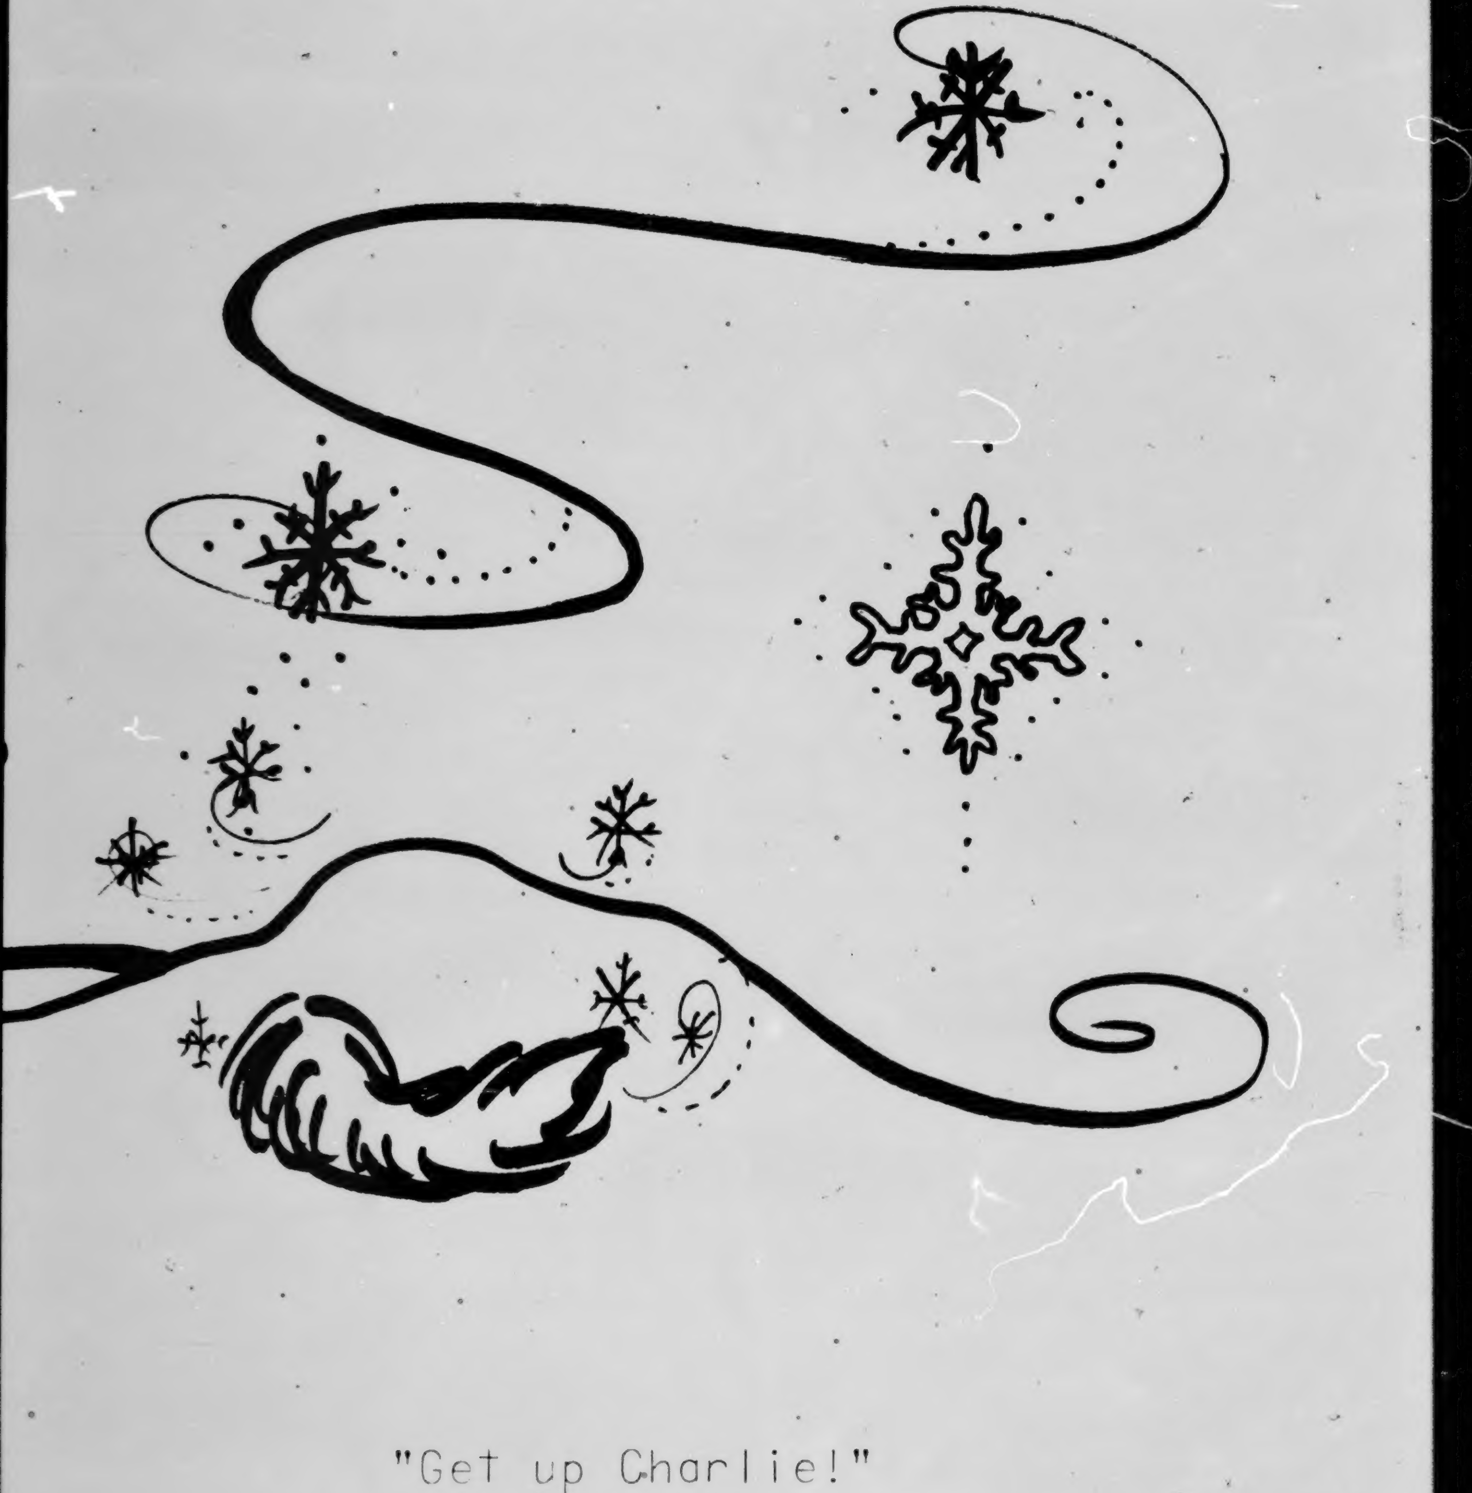
There is a bump in the snow!



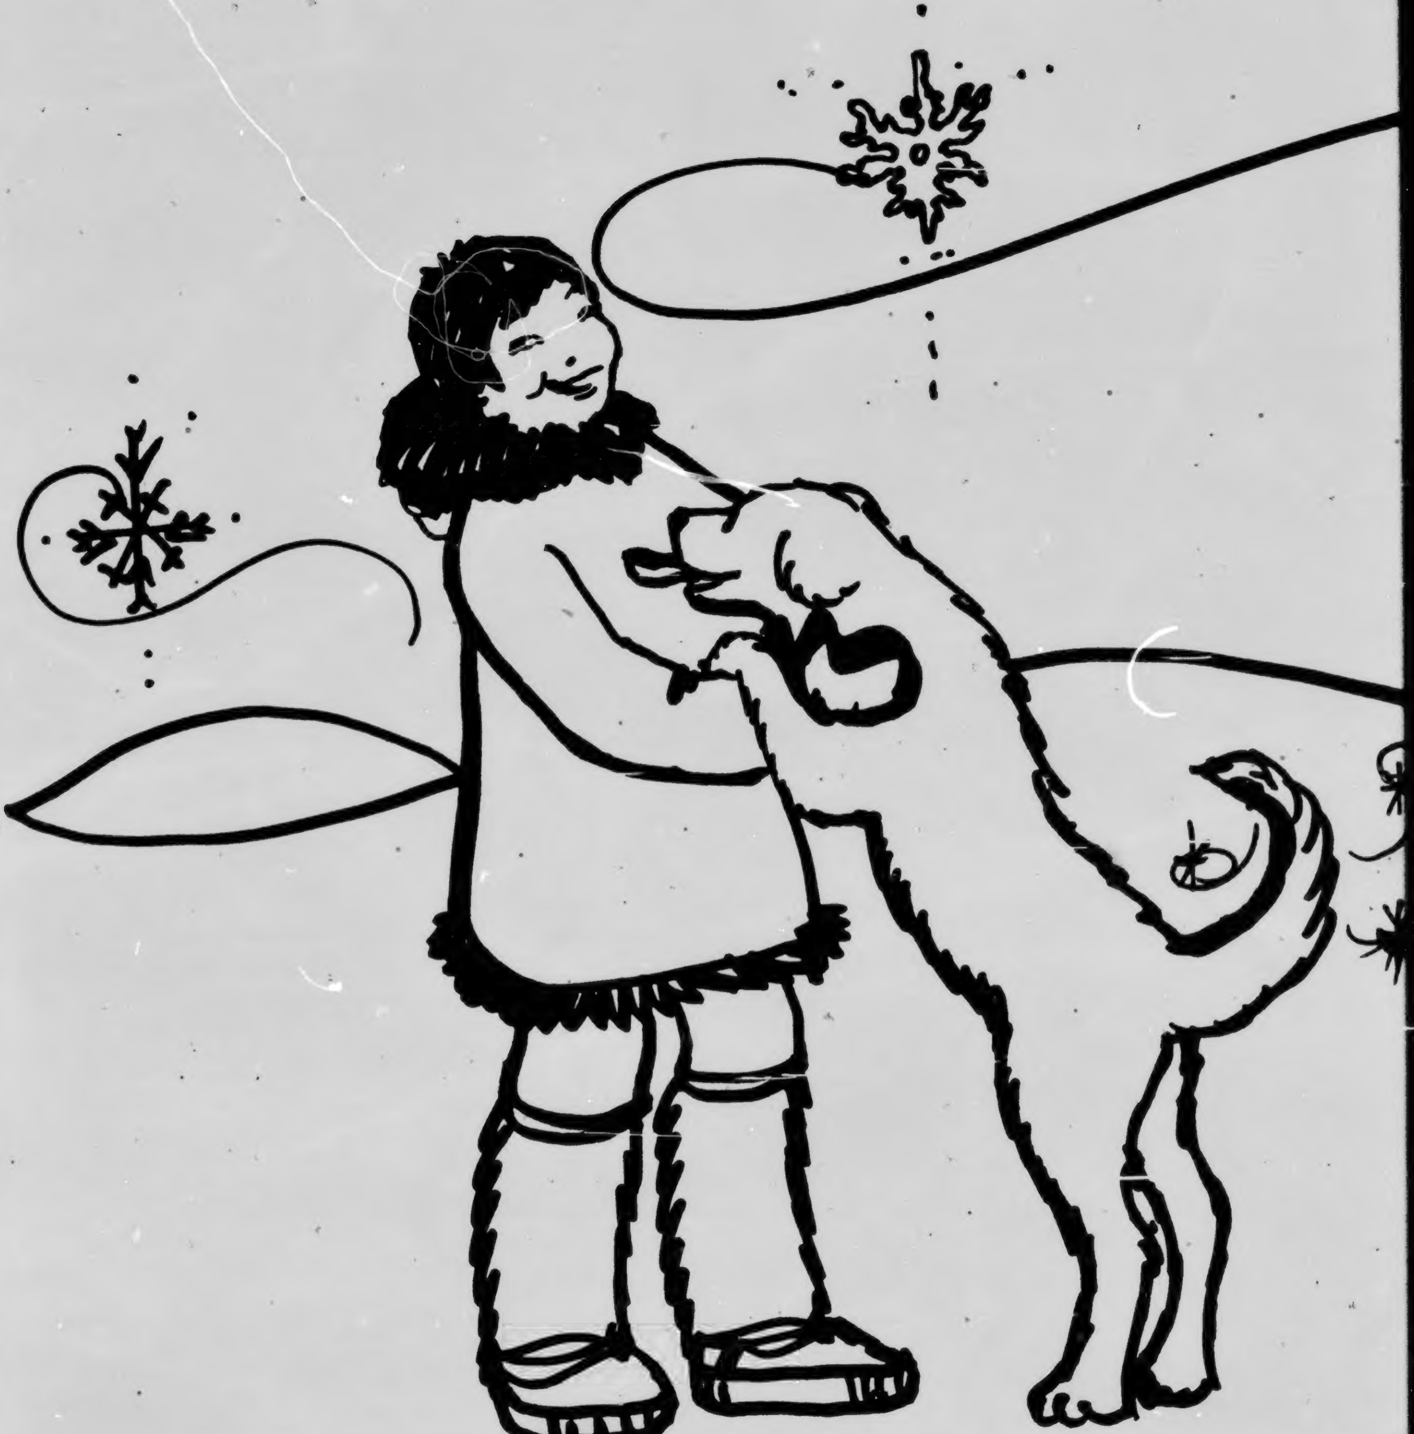
It has a tail!



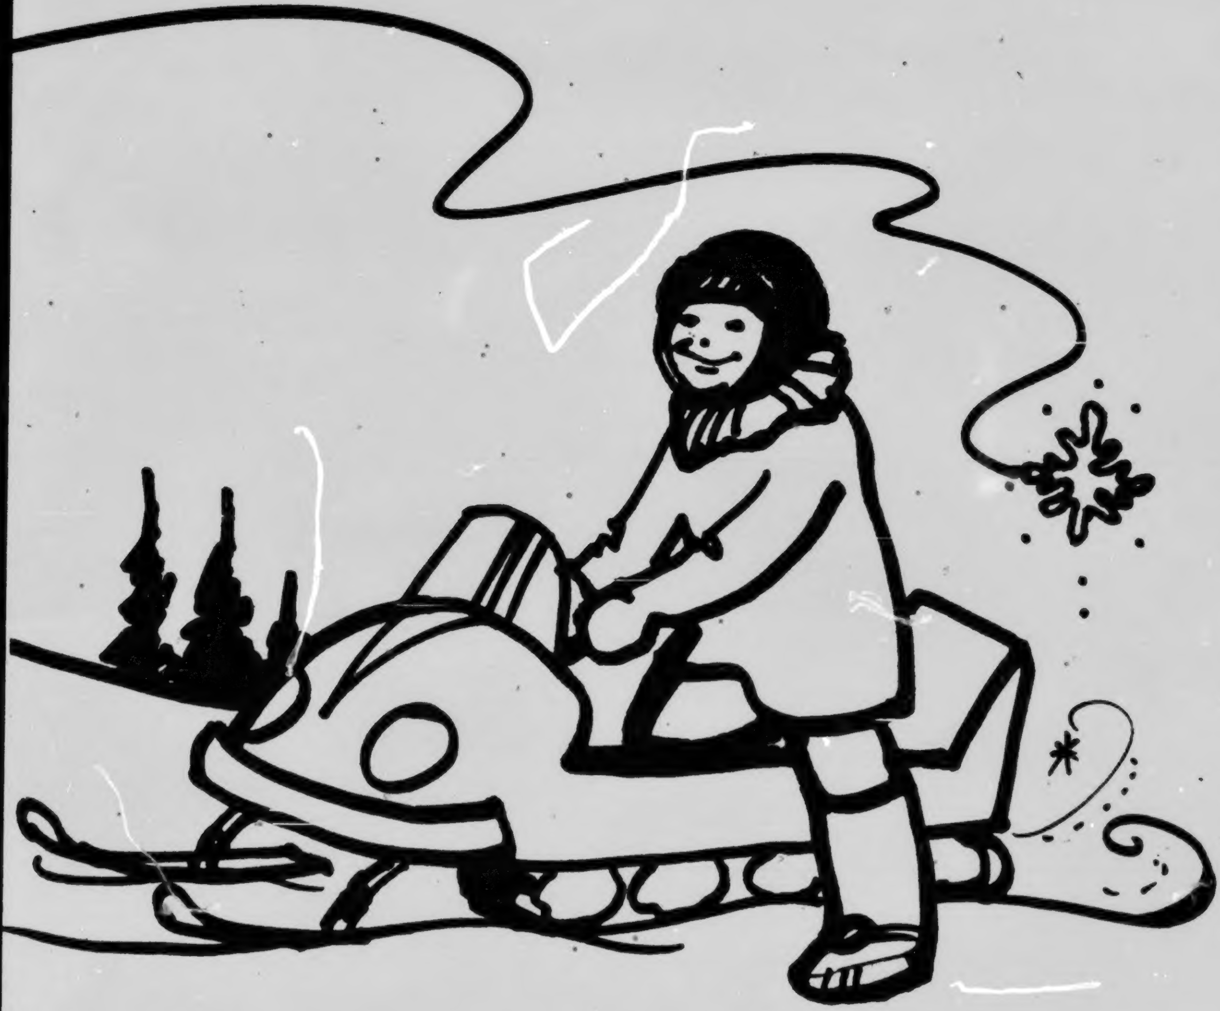
"Charlie, is that you?"



"Get up Charlie!"



Charlie is happy to see Daddy.



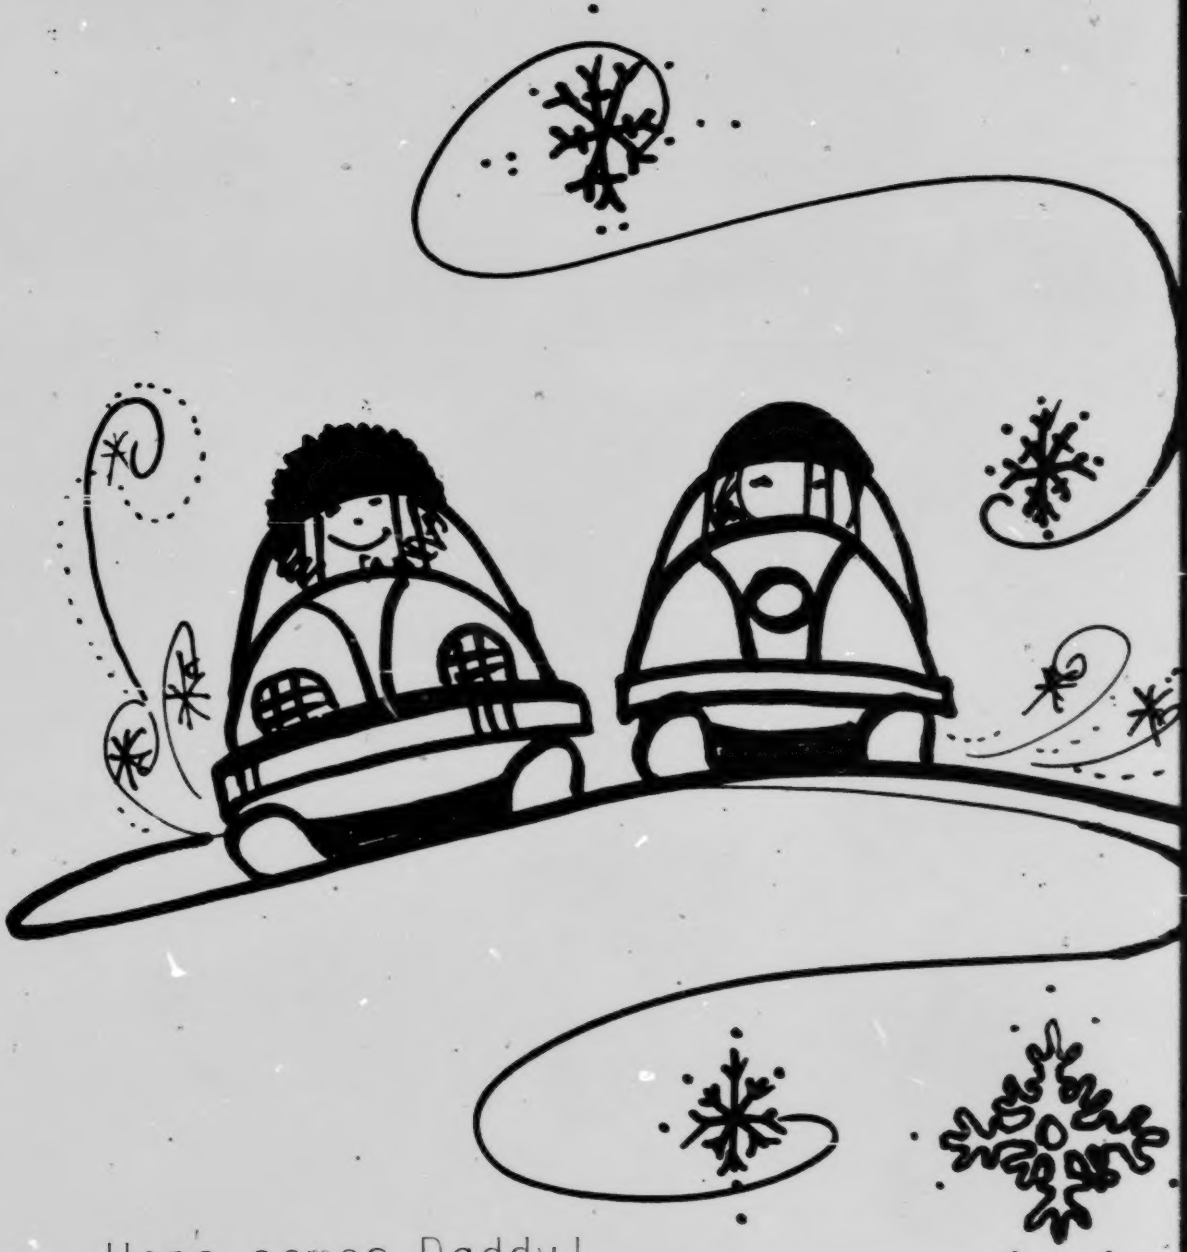
Daddy is happy to see Charlie.

Charlie is Daddy's lead dog.

He is worth a lot of money.

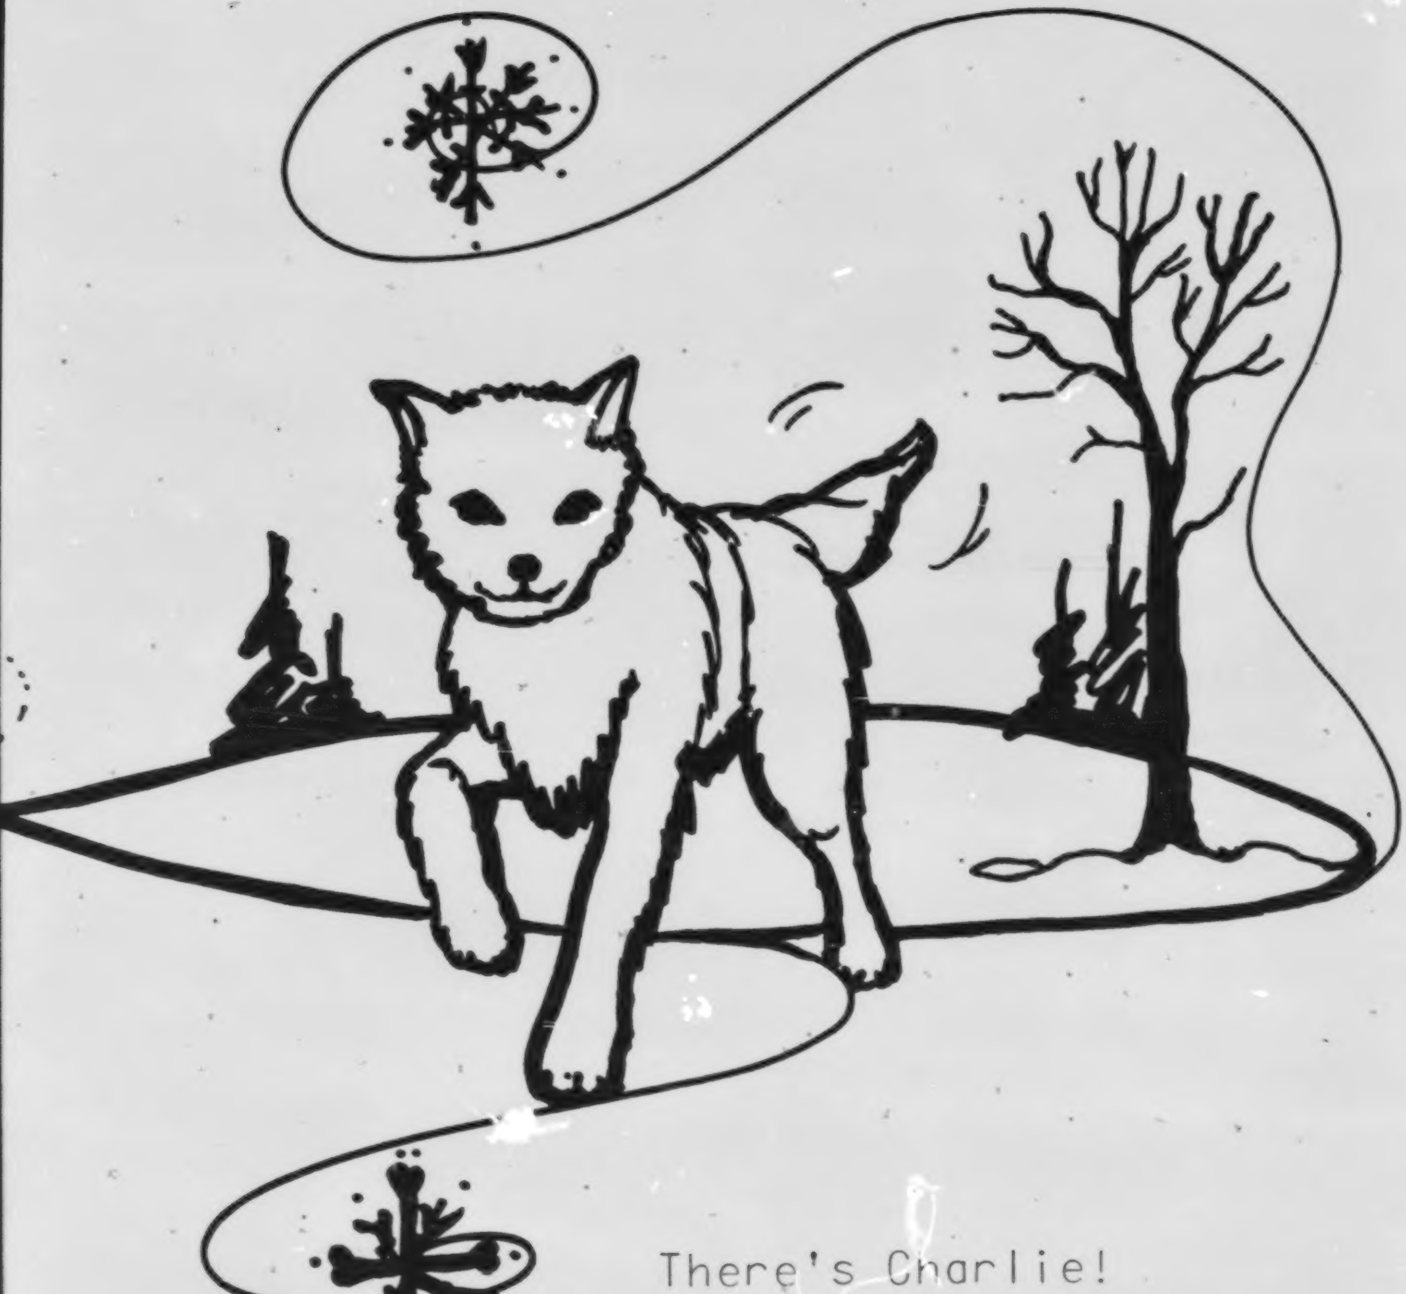
Uncle Jim is happy, too.

He is happy to see Charlie.

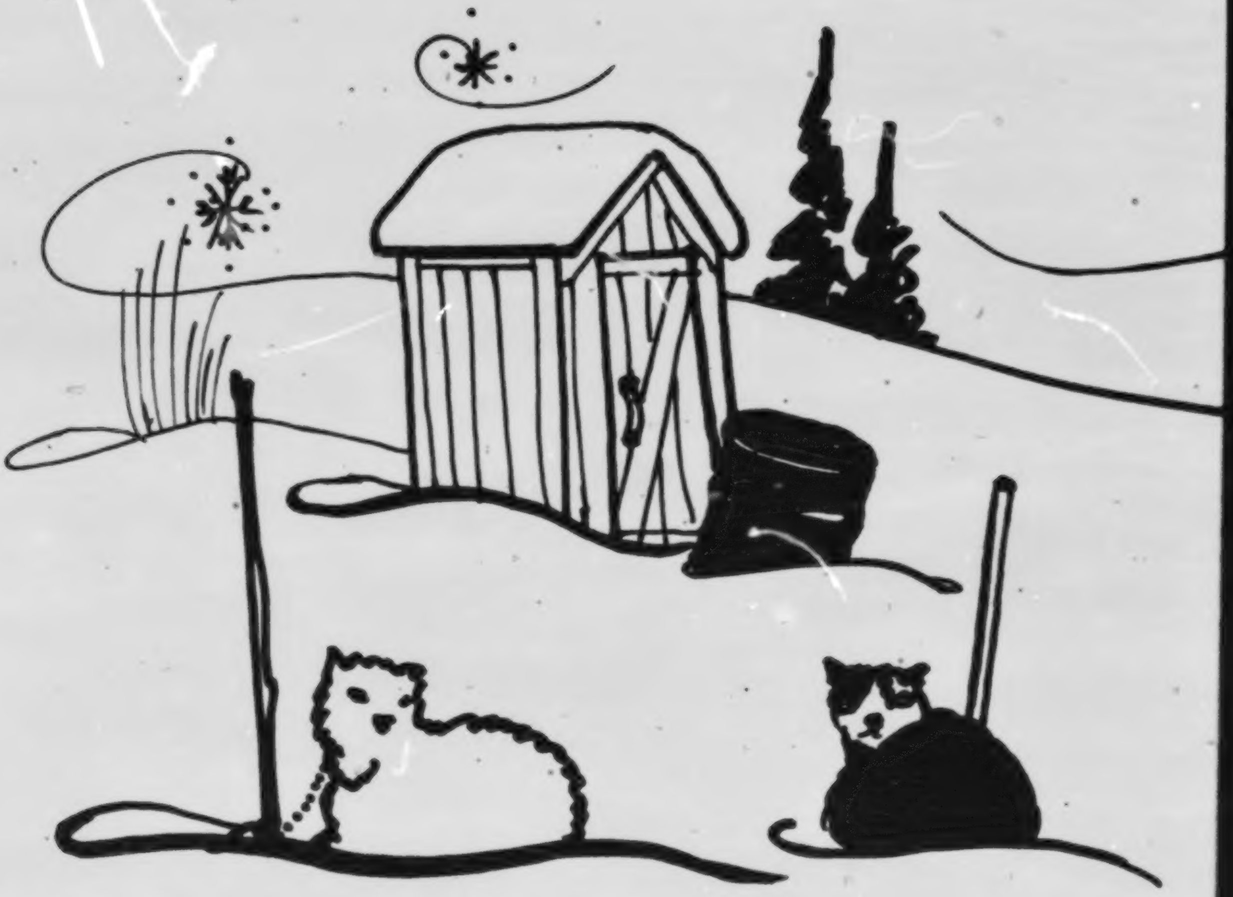


Here comes Daddy!

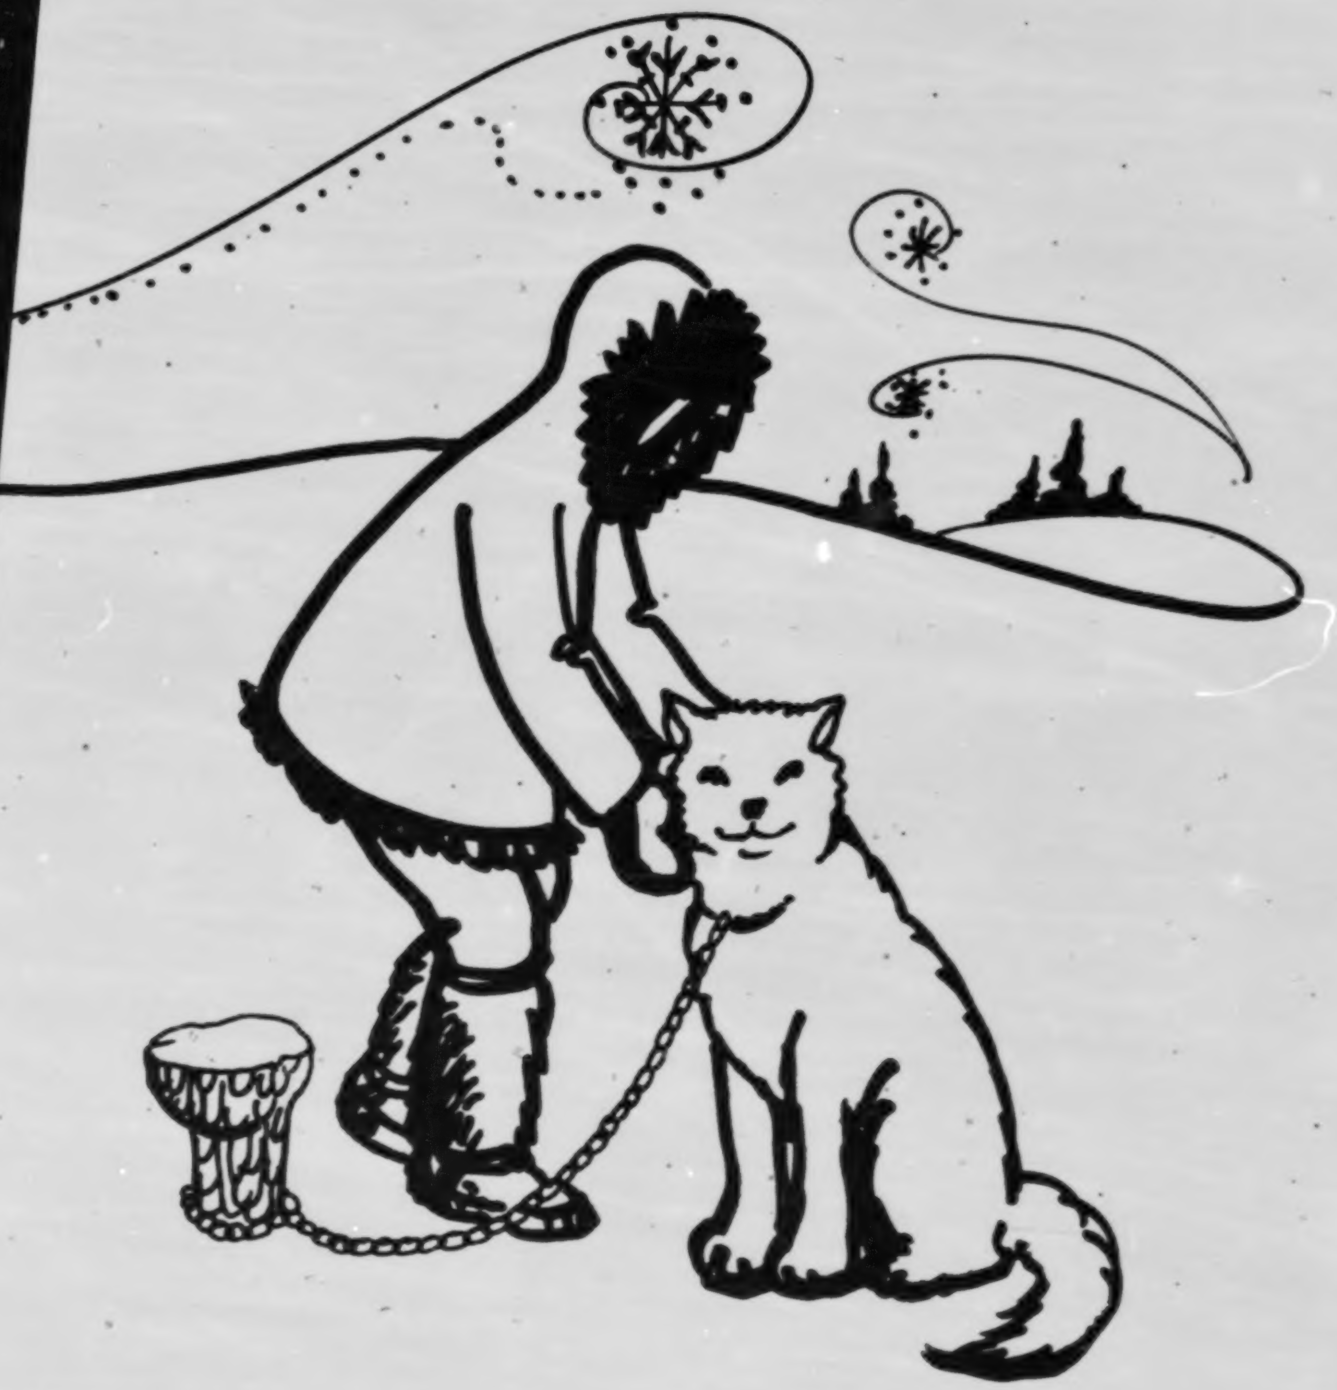
Here comes Uncle Jim!



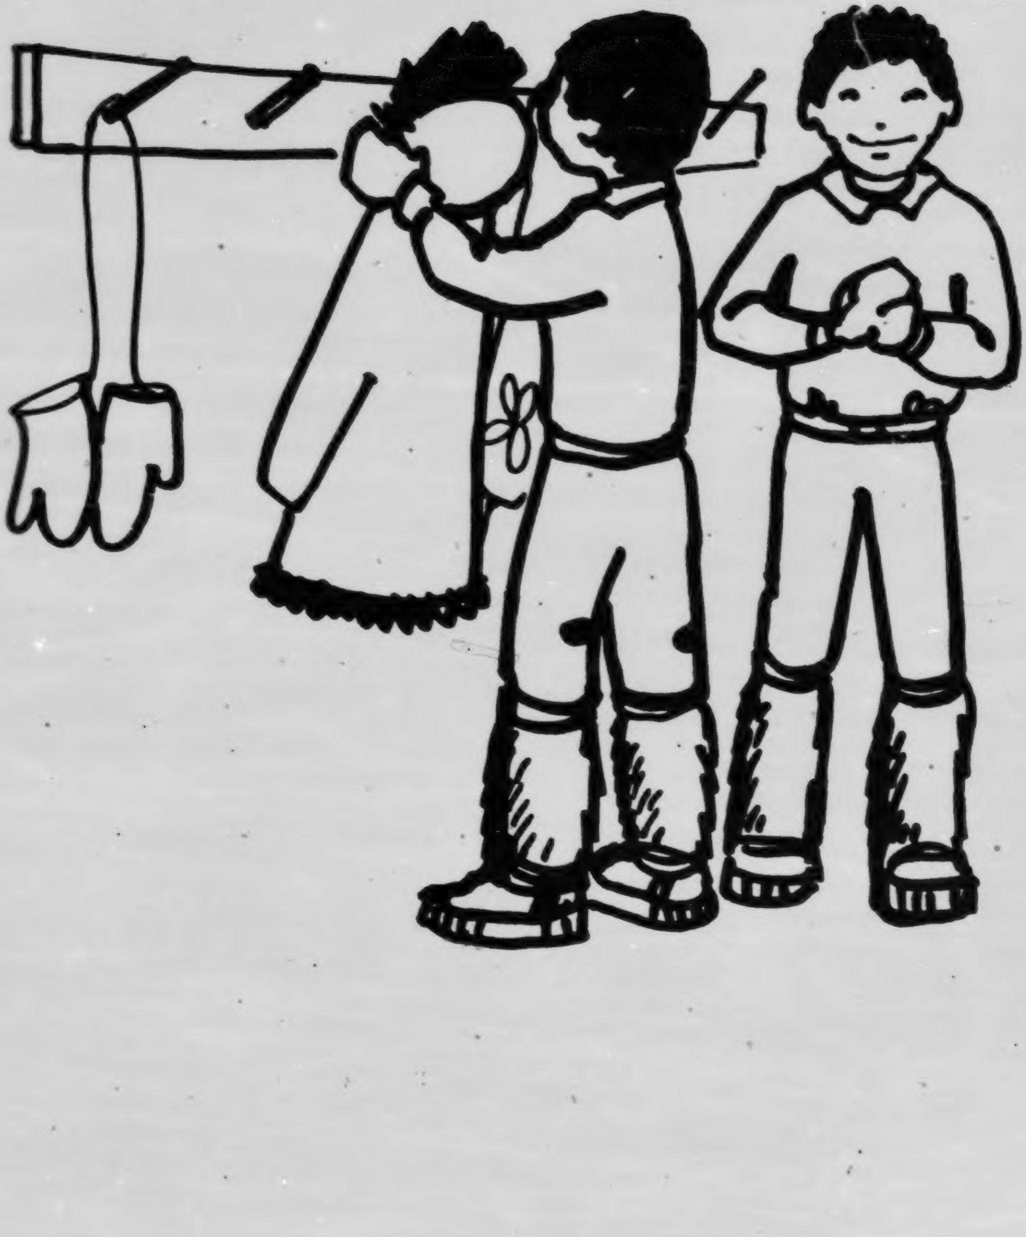
There's Charlie!

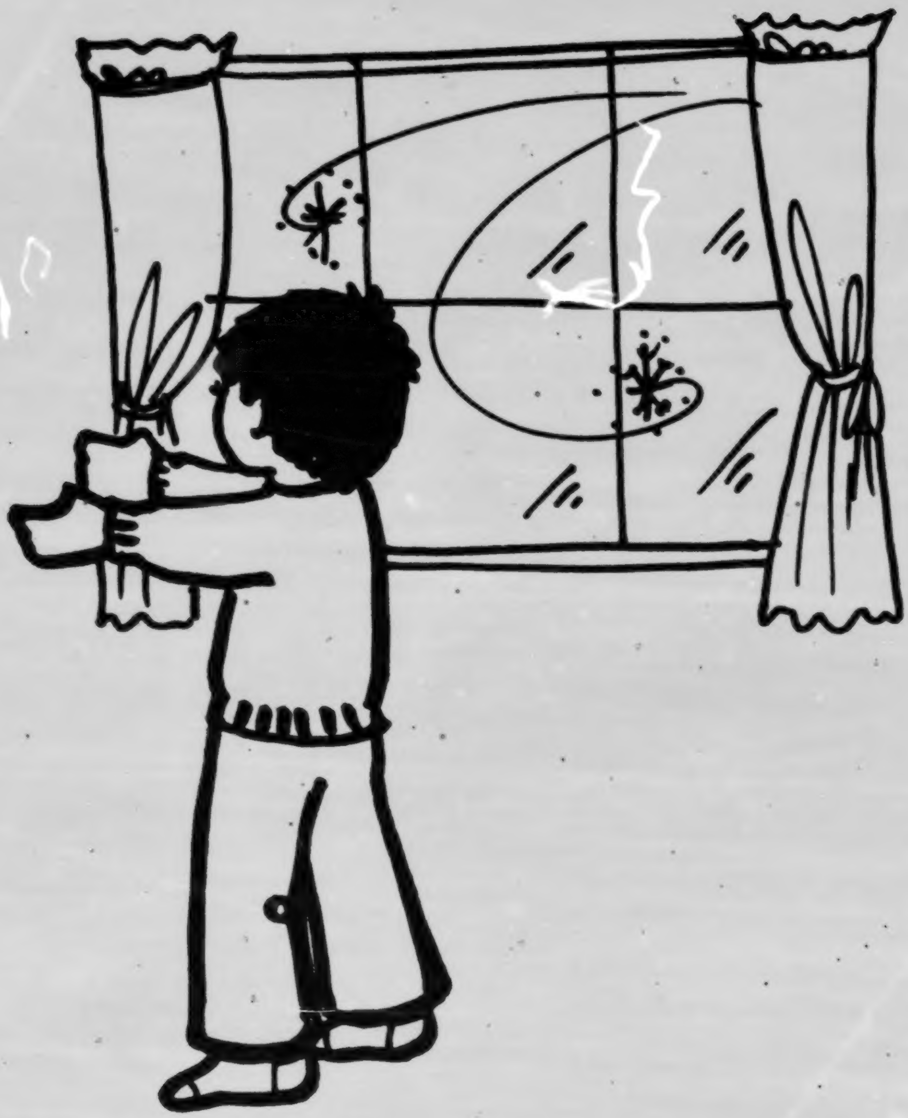


Daddy is fixing Charlie's chain.



39

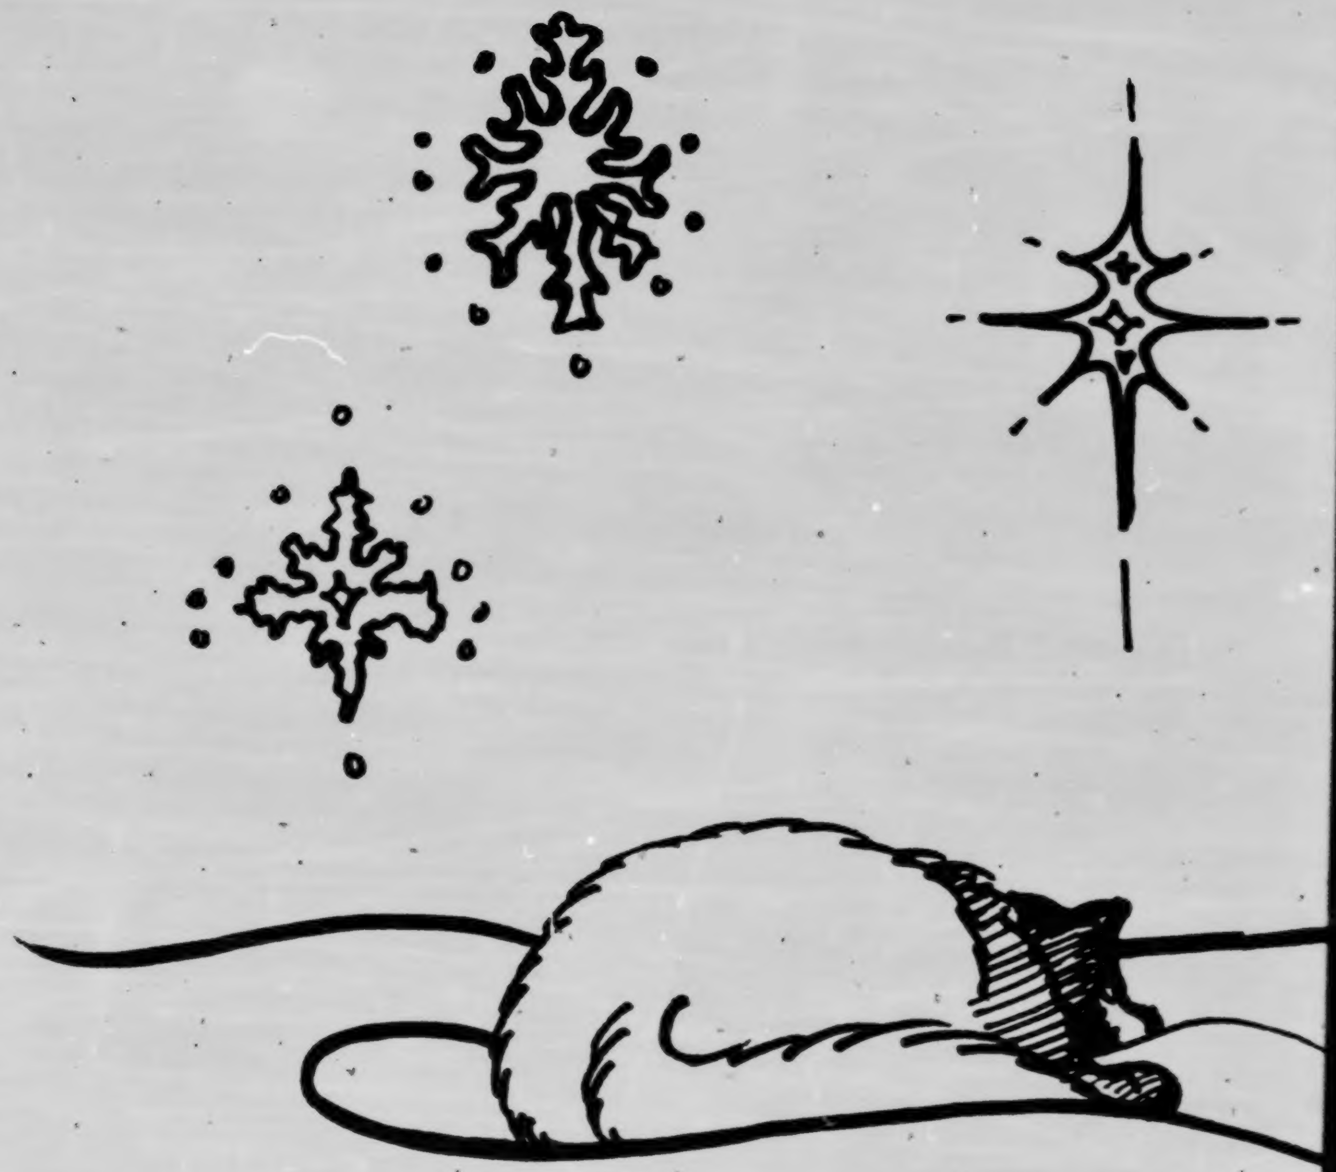




Here come Daddy and Uncle Jim.

They are cold.

They are happy to be inside.



The end.
